

STATEMENT OF COMPLIANCE WITH MULTIPLE OWNERSHIP RULES

The proposed transaction would not result in any party to the Application obtaining an ownership interest, or combination of interests, that would violate the Commission’s Multiple Ownership Rules.

I. LOCAL RADIO STATION OWNERSHIP

In addition to the instant application, Wilks License Company-Kansas City LLC (“Wilks”) has filed an application for Commission approval of the assignment of KCKC(FM), Kansas City, MO (FIN: 11279) and KMXV(FM), Kansas City, MO (FIN: 2446) from CBS Radio Stations Inc. to Wilks. Assuming that application is granted, the grant of the instant application would provide Wilks with ownership of a total of four full-power radio stations in the Kansas City, Missouri-Kansas Metro. These stations would be:

| Station | Community of License | Facility ID |
|----------------|-----------------------------|--------------------|
| KBEQ-FM | Kansas City, MO | 48961 |
| KFKF-FM | Kansas City, KS | 34431 |
| KCKC(FM) | Kansas City, MO | 11279 |
| KMXV(FM) | Kansas City, MO | 2446 |

There are currently 45 commercial and non-commercial full-power radio stations in the Kansas City, Missouri-Kansas Metro: 25 FM stations and 20 AM stations. *See* BIAfn FCC Geographic Market Definition for Kansas City, MO-KS, *attached hereto*. As such, the Commission’s local radio ownership rules permit the parties to maintain a cognizable interest in up to eight commercial full-power radio stations in that Metro, up to five of which may be in the FM service. 47 C.F.R. §73.3555(a). As the parties would control, at most, four commercial FM stations in the Kansas City, Missouri-Kansas Metro following the proposed transaction, the parties would be in compliance with the Commission’s local radio ownership rule.

II. TELEVISION/RADIO CROSS-OWNERSHIP

Although several parties to the Application would have cognizable interests in both radio and television stations following the proposed transaction, no combination of radio and television stations would be jointly owned in the same market. As detailed in Exhibit 13, several individuals have cognizable interests in television stations located in North and South Dakota. As the proposed transaction would involve only FM radio stations located in Missouri and Kansas, the Commission’s television/radio cross-ownership rule is not implicated. *See* 47 C.F.R. §73.3555(c).
