Program Test Authority

Dear Applicant:

This letter is in reference to WKCR-FM's request for program test authority ("PTA") filed February 3, 2010, and the above-captioned application for license to cover Construction Permit BPED-20080122ADE. The PTA application included exhibits demonstrating compliance with the special operating conditions.

A review of WKCR-FM's request for program test authority reveals that the facilities were constructed pursuant to the terms and conditions of Construction Permit BPED-20080122ADE, and the provisions of 47 C.F.R. § 73.1620. Accordingly, Program Test Authority IS HEREBY GRANTED to commence operation pending further action on WKCR-FM's license application. The effective radiated power is 1.35 kilowatts (H&V) and the transmitter power output is 0.90 kilowatt.

Sincerely,

Rodolfo F. Bonacci
