Re: Genesee Media Corporation (GMC)  
WRSB(AM), Brockport, NY  
Facility Identification Number: 15767  
Special Temporary Authority (STA)  
BESTA-20201102AAQ

Dear Mr. McGlynn:

This is in reference to the request filed on November 2, 2020. GMC requests a further extension of the STA granted on May 12, 2017, to continue operating with parameters at variance and reduced power to allow time to file the required FCC Form 302 application.<sup>1</sup> In support of the request, GMC stated that additional time will be needed to complete all work and file the application to cover BP-20191028AAL.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Accordingly, the request for extension of the STA IS HEREBY GRANTED, and GMC may continue to operate with parameters at variance from licensed values and reduced power in

---

<sup>1</sup> WRSB(AM) is licensed for DA operation on 1590 kHz with 1 kW day and night, using different patterns, and BP-20191028AAL authorizes ND operation on 1600 kHz, using reduced power and one of the existing towers.

order to maintain all monitor points within licensed limits. GMC must reduce power or cease operation if complaints of interference are received, and use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commissions exposure guidelines. *See* 47 CFR §1.1310. GMC must submit an e-mail to my attention to note the date the application was filed.

This authority expires on **June 8, 2021**.

Sincerely,

A handwritten signature in blue ink, appearing to read "Joe Szczesny". The signature is fluid and cursive, with a large loop at the beginning.

Joseph Szczesny, Engineer
