RE: Application BPTVL20100317ABJ, Sheridan, WY, Channel 06

Dear Sir:

The Powder River TV Board understands that the above application is predicted to cause interference to our TV translator K06AA, Broadus, MT as long we operate it without a specified and different offset from the minus offset specified in the Sheridan, WY application.

It is our choice not to adopt an offset at this time but to wait and see if this is necessary after the Sheridan, WY LPTV station is put into operation.

Accordingly we have no objection to the grant of application BPTVL20100317ABJ.

Sincerely,

BOARD OF COUNTY COMMISSIONERS
