

Explanation of Response to Section III, Question 4

The instant application seeks Commission consent to a pro forma assignment of the licenses for television station KTIV-TV and television translator stations K42EQ, K48CH and K51CC from one wholly-owned subsidiary (The New Jersey Herald, Inc.) of Quincy Newspapers, Inc. ("QNI") to another wholly-owned subsidiary (KTIV Television, Inc.) of QNI. Because the transaction is simply an internal corporate restructuring, there are no written agreements for "Sale/Transfer of Station."
