

MULTIPLE OWNERSHIP SHOWING

Hispanic Target Media Inc. (“HTM”) hereby demonstrates that grant of the instant application will be fully consistent with the Commission’s local radio multiple ownership rule. By this application, HTM proposes to construct a new station with a community of license in Kernville, CA. Kernville, CA is deemed to be a part of the Bakersfield, CA Arbitron metro.

The Commission’s local radio multiple ownership rule provides that in markets with 45 or more full-power, commercial and noncommercial radio stations, one party may have a cognizable interest in licenses for up to eight commercial radio stations, no more than five of which are in the same service (AM or FM). 47 C.F.R.

§ 73.3555(a)(1)(ii). The Commission defines the relevant market to be the “Arbitron Metro,” in those markets so designated by Arbitron. *See 2002 Biennial Regulatory Review – Review of the Commission’s Broadcast Ownership Rules and Other Rules Adopted Pursuant to Section 202 of the Telecommunications Act of 1996*, 18 FCC Rcd 13620, 13712-13 (2003) (“*Ownership Report and Order*”).

According to BIA Research, Inc.’s *Media Access Pro* database as of October 19, 2009, there are 46 full-power, commercial and noncommercial radio stations licensed to communities within the Bakersfield Metro or which Arbitron designates as “home” to the Bakersfield Metro. The current local radio ownership rule permits HTM to have a cognizable interest in eight commercial radio stations (with five in the same service) in the Bakersfield Metro.

HTM does not currently hold a cognizable interest in any radio station in the Bakersfield Metro. Accordingly, grant of this application is fully consistent with the local radio ownership rule.
