

### **Statement re Contingent Application**

An application (File No. BALTVL-2003612AMM) is pending for consent to assign the license of Low Power Television Station WMLD-LP, Hartford, Connecticut, from Harvard Broadcasting, Inc. (the "Licensee") to Salvatore Minniti (the "Assignee" or "Applicant"). A copy of the Asset Purchase Agreement (the "Agreement") between Licensee and Assignee is on file as part of the above-referenced consent to assign application. Section 2.1 (h) of the Agreement, which was executed by the Licensee, states, in pertinent part, that Licensee "will...give written consent to Buyer [Assignee] to file the Modification Application in its own name...and shall be contingent upon approval and consummation of the Assignment Application."

Applicant submits that Section 2.1 (h) of the Agreement meets the requirements of Section 73.3517 (a) of the Rules. However, if necessary, a separate written consent of the Licensee will be filed as a supplement or amendment to the instant application.
