In re: Low Power Television Application of:
WATCHTV, Inc.
Channel 16, Portland, OR.
File number BMPDTA-20091103AAL
Facility Id No.: 71069

Dear Applicant:

On February 1, 2010, the licensee as addressed above was sent a deficiency letter for the following interference issue:

Our preliminary engineering review reveals that your proposed facility does not comply with the Commission's interference rules. Specifically, the proposal is predicted to cause interference to the following facilities:

1. K17GV, Rainier, OR. – BDFCDTT-20090821ACQ

You were given the opportunity to file a minor amendment to resolve the specified interference problem within (30) days from the date of that letter. Amendments must be filed electronically. If not so amended, your application will be considered incomplete and subsequently dismissed.

Our records indicate that the licensee filed an amendment on February 3, 2010, specifically to resolve the above referenced interference problem. Our preliminary engineering review reveals that the amended specifications using the spacing distance value of 0.10 for the interference study did resolve the above interference issue with station K17GV, Rainier, OR. – BDFCDTT-20090821ACQ.

However, our preliminary engineering review reveals that your amended proposed facility does not comply with the Commission's interference rules. Specifically, the proposal is predicted to cause interference to the following facilities:

1. KSLM-LD, Salem, OR. – BLDTL-20081009AET & BPDTL-20090107ACQ

You are hereby given the opportunity to file a minor amendment to resolve the specified interference problems within (30) days from the date of this letter. Amendments must be filed electronically. If not so amended, your application will be considered incomplete and subsequently dismissed.

Sincerely

Hossein Hashemzadeh
