

Roy E Henderson
Multiple Ownership Study
Ganado, Texas Area
October 2012

Roy E. Henderson ("Henderson") owns or controls the following FM stations:

KHTZ (FM)	Ganado, TX
KJAZ (FM)	Point Comfort, TX
KROY (FM)	Palacios, TX

Henderson's KHTZ has been ordered from Class C2 operation to Class C operation. A Form 301-FM application is simultaneously being filed to reflect a new KHTZ transmitter site and Class C1 operation. This updated Multiple Ownership Compliance Study is being prepared to show compliance by KHTZ at its new location and as a Class C1 station.

The exhibit "Subject Stations" indicates the city grade contours of all three of the Henderson stations. Both KJAZ and KROY have a licensed site and a CP site. For KJAZ the CP contour was used and for KROY, the licensed city grade contour was used to prepare this exhibit. Each of these contours is smaller and portrays a "worst case" scenario.

In the Exhibit "Nearby Stations", the following nearby stations are plotted to indicate city grade service to a portion of the Subject Area. If the station's transmitter site is within the subject area, only the site is illustrated and no contour is drawn. Numbers on each contour line or transmitter site corresponds to that station in the list below:

1	KANI (AM)	Wharton, TX
2	KAYK (FM)	Victoria, TX
3	KBAR-FM	Victoria, TX
4	KBRZ-FM	Victoria, TX
5	KEDR (FM)	Bay City, TX
6	KHPO (FM)	Port O'connor, TX
7	KHVT (FM)	Bloomington, TX
8	KIOX-FM	Edna, TX
9	KITE (FM)	Port Lavaca, TX
10	KIXS (FM)	Victoria, TX
11	KJOJ-FM	Freeport, TX
12	KKHA (FM)	Markham, TX
13	KLUB (FM)	Bloomington, TX
14	KMAT (FM)	Seadrift, TX
15	KMKS (FM)	Bay City, TX
16	KNTE (FM)	Bay City, TX

Paragraph 73.3555 (a)(1)(iii) states:

“In a radio market with between 15 and 29 (inclusive) full-power, commercial and noncommercial radio stations, not more than 6 commercial radio stations in total and not more than 4 commercial stations in the same service (AM or FM);

Adding the 16 Nearby Stations to the 3 Subject Stations produces a total of 19 stations in this radio market. A market of 19 services is governed by 73.3555 (a)(1)(iii) quoted above. Owning 3 FM stations in a market of 19 stations is allowable.

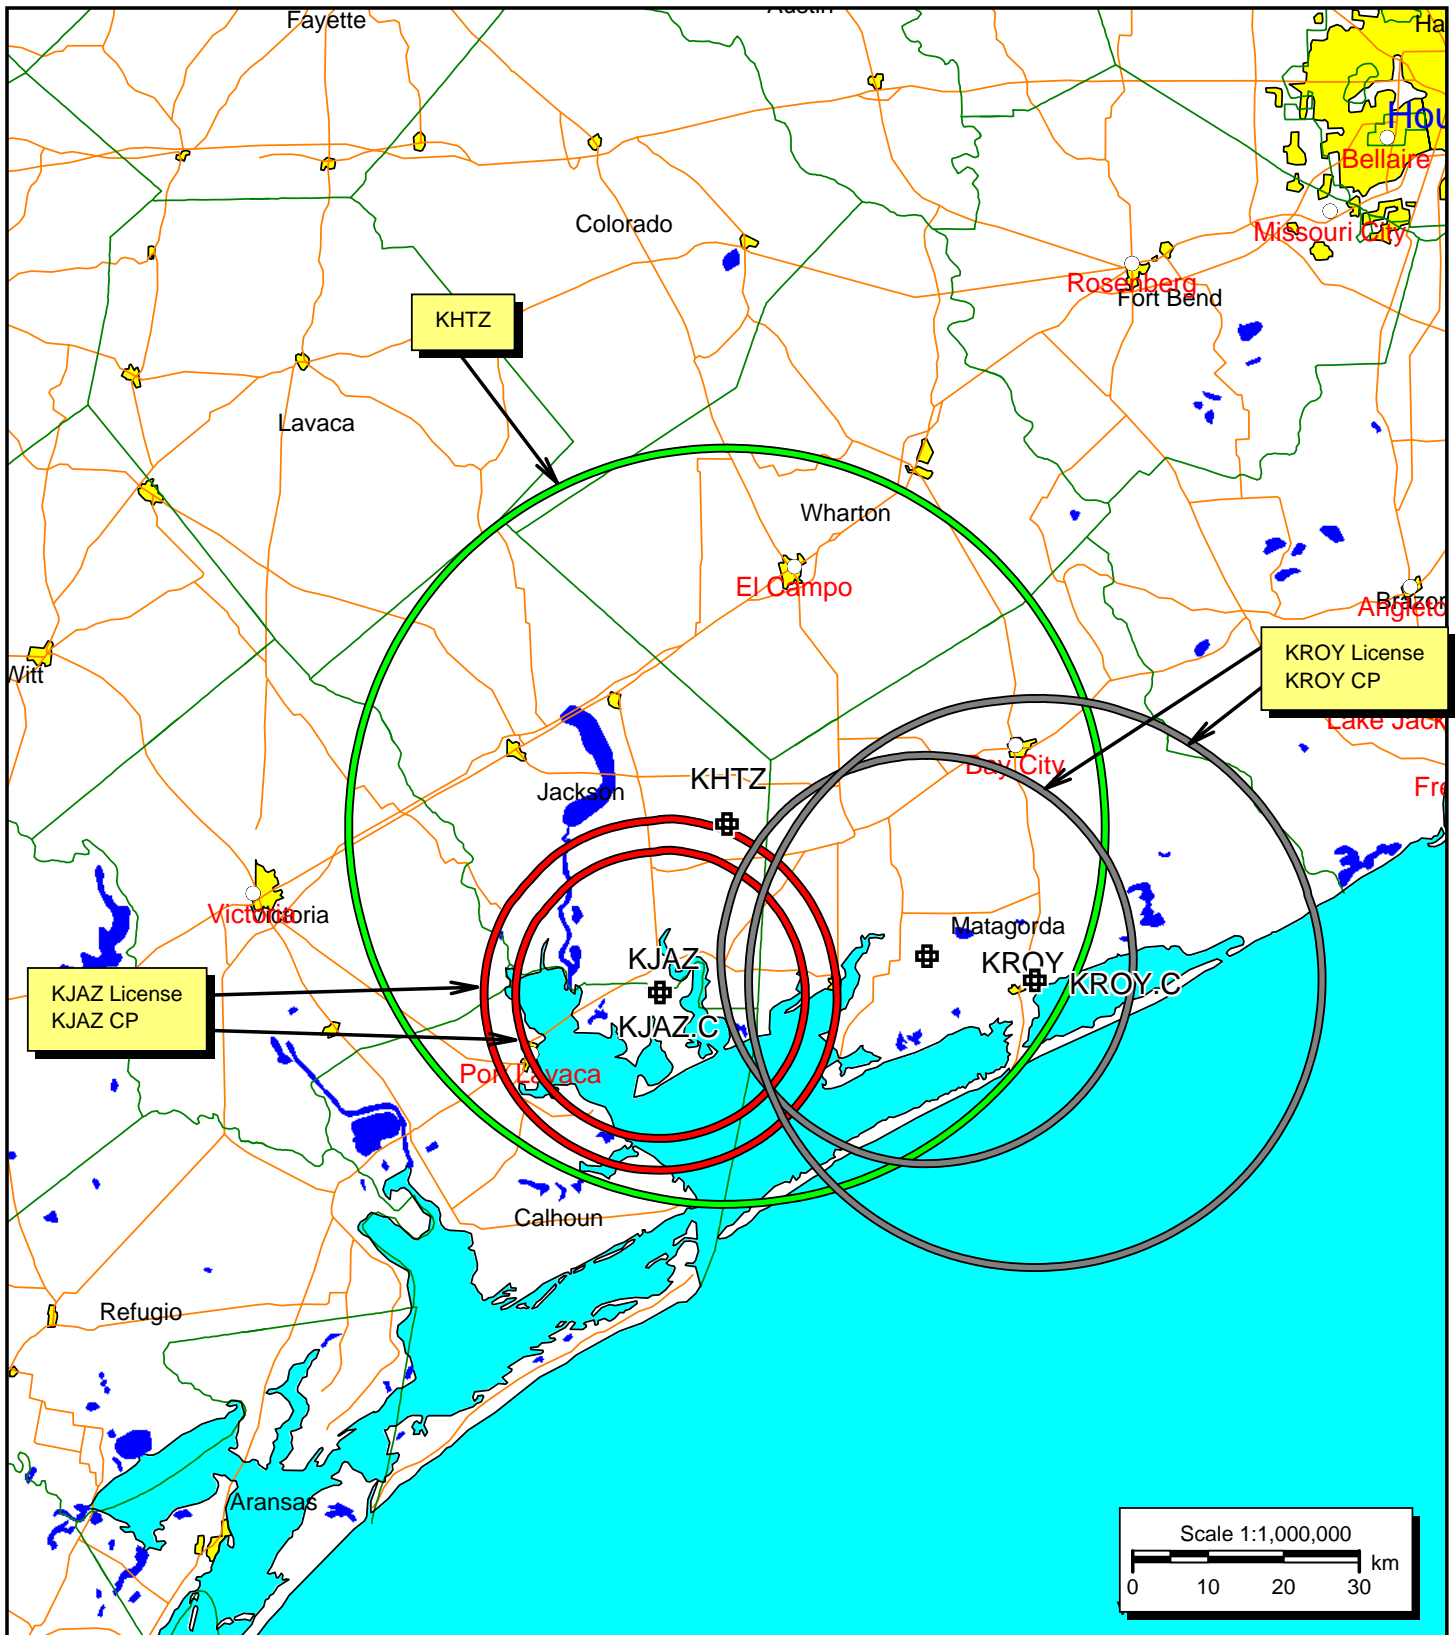

There are other stations in the market that are not listed above. These additional stations were not listed in order to keep this exhibit less complicated. They are not needed to rationalize the ownership of three FM stations and would have no impact on the outcome of this study.
