Hello. Forgive the briefness of this email... using cell phone. You have my permission to use FRN password and number for minor modifications.

Greetings Pastor Springer:

Calvary Chapel of Twin Falls, Inc. would like to make a minor modification to the Kenai CP prior to the grant of the assignment. CCTF needs to have your permission to make this modify and permission to use the password for your FRN 0017014531. If you prefer I can get the application together and then New Life Tabernacle can put the FRN and password to send it off to the FCC. Thank you.

Sincerely,  
Lois Mills
