

Exhibit 10 – Changes in Interest as a Result of Assignment

There will be no change in any ownership interest as the result of this assignment of license; the state of Florida will still own this station. However, the “directors” of the licensee will change. Currently, this consists of the Board of Regents of Florida, acting for and on behalf of the Florida State University. They will be replaced by the Florida State University Board of Trustees, which consists of:

Erich Block
