Dear Licensee:

This is in reference to your request filed April 20, 2016. You request an extension of the February 26, 2015 special temporary authority ("STA") to operate KJAK (FM) from a temporary site following the partial collapse of the tower on which the station is licensed, following an airplane strike.¹

- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or

The request for STA extension IS HEREBY GRANTED. Station KJAK may continue to operate with the following facilities:

¹ This STA extension allows KJAK to continue operating while it implements the facilities authorized in construction permit BPH-20150320AAE and a second STA, BSTA-20150720ABI.
