

**TECHNICAL STATEMENT  
LOCAL RADIO OWNERSHIP ANALYSIS  
ARIZONA LOTUS CORP.**

Arizona Lotus Corp., an Arizona corporation ("Arizona Lotus"), is a wholly owned subsidiary of Lotus Communications Corp., a California corporation (collectively with Arizona Lotus, the "Assignee"). This technical statement provides information in support of an application for Commission consent to the assignment of license for radio stations KFFN(AM), KMXZ(FM), KQTH(FM) in Tucson, Arizona and KTGv(FM) in Oracle, Arizona, which all operate in the same radio market. Because the Assignee already has cognizable interest in one AM station and three FM stations in that market, it further seeks to simultaneously divest all interest in KQTH(FM) and KTGv(FM) to comply with the Commission's Rules concerning local radio ownership.

The Assignee currently owns and operates the following four radio stations that are listed by BIA Kelsey as "home" to the Tucson, Arizona, Nielsen Audio Metro:

**PRESENT CO-OWNED STATIONS**

<b>No.</b>	<b>Call</b>	<b>Freq.</b>	<b>City, State</b>	<b>Fac. ID</b>
1	KTKT(AM)	990 kHz	Tucson, AZ	2744
2	KCMT(FM)	92.1 MHz	Green Valley, AZ	2746
3	KLPX(FM)	96.1 MHz	Tucson, AZ	2745
4	KFMA(FM)	102.1 MHz	Oro Valley, AZ	87841

As stated above, the Assignee is seeking to acquire KFFN(AM), KMXZ(FM), KQTH(FM) and KTGv(FM) and simultaneously divest its interest in KQTH(FM) and KTGv(FM). Arizona Lotus has executed an Asset Purchase Agreement for

KQTH(FM) with Family Life Broadcasting, Inc., an Arizona not-for-profit corporation, and an Asset Purchase Agreement for KTGTV(FM) with Bustos Media Holdings, LLC, a California limited liability company, and is submitting an FCC assignment application for each of these transactions concurrently with this application. Upon receiving Commission approval and simultaneously closing these transactions, the Assignee will control six commercial stations in the market – four FM stations and two AM stations. The following table lists the proposed co-owned stations:

PROPOSED CO-OWNED STATIONS					
No.	Call	Freq.		City, State	Fac. ID
1	KTKT(AM)	990	kHz	Tucson, AZ	2744
2	KFFN(AM)	1490	kHz	Tucson, AZ	2433
3	KCMT(FM)	92.1	MHz	Green Valley, AZ	2746
4	KMXZ(FM)	94.9	MHz	Tucson, AZ	2434
5	KLPX(FM)	96.1	MHz	Tucson, AZ	2745
6	KFMA(FM)	102.1	MHz	Oro Valley, AZ	87841

Aside from the stations listed above, neither the Assignee, nor any of its principals have any radio broadcast interests in the region that require an evaluation of compliance under the local radio ownership rule.

Figure 1 shows the “*FCC Geographic Market Definition for Tucson, AZ*” reported by BIA Kelsey. It indicates that there are 41 stations in the market based on the Nielsen Audio Metro Methodology (formerly known as the Arbitron Metro Methodology). Section 73.3555(a)(1)(ii) of the Commission’s Rules provides that in a radio market with between 30 and 44 commercial and noncommercial radio stations, it is permissible for a party to have a cognizable interest in up to seven commercial radio stations, not more than four stations in the same service. Given the fact that the Assignee will have an interest in a total of six commercial stations and the count of stations in the market is 41, the

Assignee's application is in full compliance with Section 73.3555(a) of the Commission's Rules concerning local radio ownership.

Respectfully submitted,  
Lohnes and Culver LLC
