The instant assignment application is being filed in accordance with *Media Bureau Announces Filing Dates and Procedures for AM Station Filing Window for FM Translator Modifications and Availability of FM Translator Technical Tools*, Public Notice, 30 FCC Rcd 14690 (2015), which implemented certain provisions of the Commission's AM Revitalization proceeding (*see Revitalization of the AM Service*, First Report and Order, 30 FCC Rcd 12145 (2015)), to facilitate acquisition and relocation by AM radio stations of FM translator stations and construction permits, without regard to the limitations of Section 74.1233(a)(1) of the Commission's rules. Upon the opening of the Second Filing Window in late July 2016 for AM licensees of all classes (the proposed assignee herein is the licensee of WGEM(AM), which is a Class B AM station), and with the consent of the Assignor, a letter request to extend the construction permit (which is scheduled to expire in May 2016) will be filed and permission to relocate the translator to a compliant location (with respect to WGEM(AM)) will be filed using a Form 349 application. The facilities described in the modification application will be constructed to comply with the limitations and requirements set forth in Section 74.1232(d) of the rules.
