Re: GAP Broadcasting Victoria License, LLC  
KLUB(FM), Bloomington, Texas  
Facility Identification Number: 68301  
Special Temporary Authority

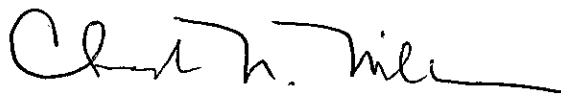

Dear Counsel:

This is in reference to the request filed April 14, 2008, on behalf of GAP Broadcasting Victoria License, LLC ("GAP"). GAP requests special temporary authority ("STA") to operate Station KLUB with the facilities proposed in Application BMPH-20080411AAZ.<sup>1</sup>

Our review indicates that Construction Permit BMPH-20080411AAZ was granted today. Thus, STA is no longer necessary.

Accordingly, the request for STA IS HEREBY DISMISSED. This action is taken pursuant to 47 CFR Section 0.283.

Sincerely,

Charles N. Miller, Engineer  
Audio Division  
Media Bureau

cc: GAP Broadcasting Victoria License, LLC

---

<sup>1</sup> KLUB is licensed for operation on Channel 295C3 (106.9 MHz) with effective radiated power ("ERP") of 25 kW (H&V) and antenna height above average terrain ("HAAT") of 81 meters. Construction Permit BMPH-20080411AAZ authorizes a decrease in ERP to 18.5 kW (H&V) and an increase in HAAT to 116 meters. The permit expires on April 28, 2008.
