

A map of the Colorado Plateau region, including parts of Utah, Arizona, and New Mexico. The map shows a grid of latitude and longitude lines, with longitude ranging from 110 to 116 degrees West and latitude from 20 to 200 degrees North. Major cities and towns are marked with black dots and labeled, including Golden Arrow, Silverbow, Mellan, Tempio, Hiko, Ash Springs, Caliente, Ursine, Alberts Park, Cedar City, Panguitch, Escalante, Boulder Town, White Canyon, Hite, Three Forks, Mo, Bland, Washington, St. George, Cannonville, Kanab, Fredonia, Wahweap, Page, Navajo Mountain, Baby Rock, Kayenta, Rock Crossing, Luweap, Overton, Las Vegas, Erie, Ashford Mill, Ashford Junction, Glasgow, Elyon, Kerens, Kingman, Frazier Wells, Robbers Roost, Coccino, Tusayan, Cameron, Tanners Crossing, Coal Mine Mesa, Smoke Signal, Chinle, Many Farms, Lukag, and Show Low. Two overlapping circles are drawn on the map: a blue circle labeled 'KOAS 289C (cp) 60 DBU' and a green circle labeled 'KOAS-FM1'. A blue dot is located near the center of the green circle, and a pink dot is located near the center of the blue circle. A label 'NEW Baker 292D 100 DBU' is also present near the pink dot. The map includes a scale bar at the bottom left indicating distances in kilometers (km).
