WVPO(AM) 840 kHz (NDD) Stroudsburg, Pennsylvania (Facility ID 47423)

**Introduction**

This statement has been prepared on behalf of *Access.1 Pennsylvania License Company, LLC* (“*Access.1*”) to provide supplemental information to demonstrate compliance with Section 73.3555(a) of the Rules of the Federal Communications Commission as it governs common ownership of multiple radio stations serving the same market. *Access.1* is proposing to own seven stations in an area where it currently has no other attributable radio or television ownership interests:

Call Sign	Channel/Class	City, State	County of License	Facility ID
WODE-FM	260B	Easton, PA	Northampton	8595
WSBG(FM)	228A	Stroudsburg, PA	Monroe	47424
WWYY(FM)	296A	Belvidere, NJ	Warren	54689

Call Sign	Frequency	City, State	County of License	Facility ID
WEEX(AM)	1230 kHz	Easton, PA	Northampton	8596
WPLY(AM)	960 kHz	Mount Pocono, PA	Monroe	67060
WTKZ(AM)	1320 kHz	Allentown, PA	Lehigh	27510
WVPO(AM)	840 kHz	Stroudsburg, PA	Monroe	47423

As demonstrated below, *Access.1's* proposed holdings in the region lie in two geographic markets. Evaluation of the number of other radio stations in the markets shows that the proposed common ownership of these seven (7) stations in two geographic radio metro markets complies with §73.3555(a)(1) of the Commission’s Rules.

Engineering Statement  
**RADIO STATION MULTIPLE OWNERSHIP STUDY**  
(page 2 of 5)

**FCC Radio Station Multiple Ownership Policy**  
**Arbitron Metro and Interim Contour Overlap Methodologies**

The Commission issued a *Report and Order* and *Notice of Proposed Rulemaking* (“*R&O*”)<sup>1</sup> for various multiple ownership and cross ownership issues. The *R&O* establishes a means of evaluating radio station multiple ownership issues utilizing existing Arbitron and BIA market data for markets with established geographic boundaries and a separate “interim” means for evaluating radio station multiple ownership issues beyond established Arbitron radio markets.

In this instant circumstance, all of the stations *Access.I* is proposing to acquire have principal communities of license in the Arbitron Metro Survey Area markets Allentown-Bethlehem, Pennsylvania or Wilkes Barre-Scranton, Pennsylvania.

The Allentown-Bethlehem, Pennsylvania Arbitron Metro Survey Area market is comprised of Carbon County, PA; Lehigh County, PA; Northampton County, PA; and, Warren County, NJ. Four of the proposed commonly owned stations (*two FM stations and two AM stations*) have communities of license within these counties and thus within the Allentown-Bethlehem, PA Metro:

Call Sign	Channel/Class	City, State	County of License	Facility ID
WODE-FM	260B	Easton, PA	Northampton	8595
WWYY(FM)	296A	Belvidere, NJ	Warren	54689

Call Sign	Frequency	City, State	County of License	Facility ID
WEEX(AM)	1230 kHz	Easton, PA	Northampton	8596
WTKZ(AM)	1320 kHz	Allentown, PA	Lehigh	27510

The Wilkes Barre-Scranton, Pennsylvania Arbitron Metro Survey Area market is comprised of Columbia County, PA; Lackawana County, PA; Luzerne County, PA; Monroe County, PA; and, Wyoming County, PA. The remaining three proposed commonly owned

---

<sup>1</sup> Report and Order in MB Docket No. 02-277 and MM Docket Nos. 01-235, 01-317, and 00-244, and Notice of Proposed Rulemaking for MB Docket 03-130 FCC-03-127, (adopted June 2, 2003)(released July 2, 2003).

Engineering Statement  
**RADIO STATION MULTIPLE OWNERSHIP STUDY**  
(page 3 of 5)

stations (*one FM station and two AM stations*) have communities of license within these counties and thus within the Wilkes Barre-Scranton, PA Metro:

Call Sign	Channel/Class	City, State	County of License	Facility ID
WSBG(FM)	228A	Stroudsburg, PA	Monroe	47424

Call Sign	Frequency	City, State	County of License	Facility ID
WPLY(AM)	960 kHz	Mt. Pocono, PA	Monroe	67060
WVPO(AM)	840 kHz	Stroudsburg, PA	Monroe	47423

The Allentown-Bethlehem Metro is identified by BIA as the home market for WEEX(AM), WTKZ(AM), WODE-FM, and WWYY(FM). The Wilkes Barre-Scranton Metro is identified by BIA as the home market for WSBG(FM), WPLY(AM), and WVPO(AM). Therefore, evaluation using the “interim contour-overlap” methodology is not warranted for *Access.I*’s proposed acquisition of these seven radio stations.

**Arbitron Metro Survey Area Market Analysis - Allentown-Bethlehem, PA Market**

**Attachment 1** to the instant engineering statement consists of BIA FCC Geographic Market Definition and Market Overview reports identifying the radio stations in the Allentown-Bethlehem, Pennsylvania Arbitron Metro Survey Area. Based on information prepared by BIA, there are 24 radio stations in the Allentown-Bethlehem, Pennsylvania Metro market.<sup>2</sup> *Access.I* is proposing to own two (2) AM stations and two (2) FM stations in the Allentown-Bethlehem market. The proposed common ownership of WEEX(AM), WTKZ(AM), WODE-FM, and WWYY(FM) meets the Commission’s rules for radio station multiple ownership, specifically, (§73.3555(a)(1)(iii)):

“§73.3555 Multiple ownership.

(a)(1) Local radio ownership rule. A person or single entity (or entities under common control) may have a cognizable interest in licenses for AM or FM radio broadcast stations in accordance with the following limits:

---

<sup>2</sup> There are 23 stations listed by BIA with Allentown-Bethlehem as their home market. There is one additional station (WHCY(FM) Blairstown, NJ) listed as home to a different market (Sussex, NJ) but with a community of license within Warren County in the Allentown-Bethlehem Metro. Thus there are 24 stations in total in the Allentown-Bethlehem Metro for FCC multiple ownership purposes.

Engineering Statement  
**RADIO STATION MULTIPLE OWNERSHIP STUDY**  
(page 4 of 5)

(iii) In a radio market with between 15 and 29 (inclusive) full-power, commercial and noncommercial radio stations, not more than 6 commercial radio stations in total and not more than 4 commercial stations in the same service (AM or FM);”

**Arbitron Metro Survey Area Market Analysis - Wilkes Barre-Scranton, PA Market**

**Attachment 2** to the instant engineering statement consists of BIA FCC Geographic Market Definition and Market Overview reports identifying the radio stations in the Wilkes Barre-Scranton, Pennsylvania Arbitron Metro Survey Area. Based on information prepared by BIA, there are 49 radio stations in the Wilkes Barre-Scranton, Pennsylvania Metro market. *Access.1* is proposing to own two (2) AM stations and one (1) FM station in the Wilkes Barre-Scranton market. The proposed common ownership of WSBG(FM), WPLY(AM), and WVPO(AM) meets the Commission’s rules for Radio Station multiple ownership, specifically, (§73.3555(a)(1)(i)):

“§73.3555 Multiple ownership.

(a)(1) Local radio ownership rule. A person or single entity (or entities under common control) may have a cognizable interest in licenses for AM or FM radio broadcast stations in accordance with the following limits:

(i) In a radio market with 45 or more full-power, commercial and noncommercial radio stations, not more than 8 commercial radio stations in total and not more than 5 commercial stations in the same service (AM or FM);”

**Conclusion**

Based on the BIA FCC Geographic Market Definition and Market Overview reports for the Allentown-Bethlehem, Pennsylvania Arbitron Metro Survey Area there are at least twenty-four (24) stations listed as home to the Allentown-Bethlehem, Pennsylvania market. The proposed common ownership of WEEX(AM), WTKZ(AM), WODE-FM, and WWYY(FM) in the Allentown-Bethlehem, Pennsylvania Metro meets the Commission’s rules for radio station multiple ownership.

Similarly, based on the BIA FCC Geographic Market Definition and Market Overview reports for the Wilkes Barre-Scranton, Pennsylvania Arbitron Metro Survey Area there are at least forty-nine (49) stations listed as home to the Wilkes Barre-Scranton, market. The proposed common ownership of WSBG(FM), WPLY(AM), and WVPO(AM) in the Wilkes

Engineering Statement  
**RADIO STATION MULTIPLE OWNERSHIP STUDY**  
(page 5 of 5)

Barre-Scranton Pennsylvania Metro meets the Commission's rules for radio station multiple ownership.

All of the proposed commonly owned stations have principal communities of license within Arbitron Metro Survey Areas and all are identified as home to those respective metros. Application of the interim, contour-overlap methodology is not warranted in this situation.

**Certification**

I, Mark B. Peabody, hereby certify that the foregoing statement for *Access.1 Pennsylvania License Company, LLC* in support of the acquisition of WEEX(AM), WTKZ(AM), WODE-FM, WWYY(FM), WSBG(FM), WPLY(AM), and WVPO(AM) was prepared by me or under my direction, that it is true and correct to the best of my knowledge and belief, and that my qualifications are a matter of record with the Federal Communications Commission.
