ASSET PURCHASE AGREEMENT dated as of August **7**, 2006 (this "Agreement"), by and among Mystic Television of Scranton LLC, a Delaware limited liability company ("Mystic-Scranton"), Mystic Television of Tallahassee LLC, a Delaware limited liability company ("Mystic-Tallahassee," each a "Seller" and collectively, "Sellers"), and MPS Media of Scranton, LLC, a Delaware limited liability company ("MPS-Scranton"), MPS Media of Tallahassee, LLC, a Delaware limited liability company ("MPS-Tallahassee," collectively with MPS-Scranton, "Buyers").

WITNESSETH:

WHEREAS, certain Sellers hold or at the Closing will hold Authorizations (as defined herein) issued by the FCC;

WHEREAS, Sellers hold or at the Closing will hold certain other assets used and useful to operate television stations WSWB(TV), Scranton, Pennsylvania ("WSWB") and WTLF-DT, Tallahassee, Florida ("WTLF," collectively with WSWB, the "Stations");

WHEREAS, Mystic-Tallahassee has the right to acquire WTLF pursuant to the WTLF Agreement (as defined herein).

WHEREAS, certain sellers under the Other Station Agreements (as defined herein) and certain of their direct and indirect Subsidiaries each commenced a case under chapter 11 of title 11 of the United States Code (as now in effect or hereafter amended, the "Bankruptcy Code") on June 2, 2004 by filing respective voluntary petitions with the United States Bankruptcy Court for the District of Maine (the "Bankruptcy Court"), which cases are being jointly administered under Chapter 11 Case No. 04-20878 (collectively, the "Chapter 11 Case");

WHEREAS, Sellers presently conduct, or with respect to WTLF, will conduct upon the WTLF Closing, the Business (as defined herein); and

WHEREAS, Sellers desire to sell, transfer and assign to Buyers, and Buyers desire to acquire and assume from Sellers, all of the Purchased Assets and Assumed Liabilities, all on the terms and subject to the conditions set forth herein.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants, agreements, representations and warranties hereinafter set forth, the parties hereto hereby agree as follows:

ARTICLE 1 PURCHASE AND SALE OF ASSETS

1.1 Purchase and Sale of Assets. On and subject to the terms and conditions of this Agreement, at the Closing Buyers shall purchase, acquire and accept from Sellers, and Sellers shall sell, transfer, assign, convey and deliver to Buyers, all of Sellers' right, title and interest in, to and under the Purchased Assets, free and clear of all Liens (other than Permitted

Encumbrances) for the consideration specified in Article 2 below. The sale of the Purchased Assets shall be on an "as is, where is" basis and without representations or warranties of any kind or nature, except as are expressly set forth herein.

1.2 Excluded Assets. The Purchased Assets shall not include any of Sellers' right, title or interest in or to, any assets or properties of Sellers that are Excluded Assets. Nothing herein contained shall be deemed to transfer, assign or convey the Excluded Assets to Buyers, and Sellers shall retain all right, title and interest to, in and under the Excluded Assets.

1.3 Assumed Liabilities. On and subject to the terms and conditions of this Agreement, Buyers shall assume and become responsible for all of the Assumed Liabilities at the Closing, effective as of the Closing.

1.4 Excluded Liabilities. Notwithstanding anything in this Agreement to the contrary, Buyers shall not assume, and shall be deemed not to have assumed, the Excluded Liabilities, and Sellers and their Affiliates shall be solely and exclusively liable with respect to all such Excluded Liabilities.

1.5 Further Conveyances and Assumptions.

(a) Subject to Applicable Law, from time to time following the Closing, Sellers shall, or shall cause their Affiliates to, make available to Buyers such non-confidential data in personnel records of Transferred Employees as is reasonably necessary for Buyers to transition such employees into Buyers' records.

(b) From time to time following the Closing, Sellers and Buyers shall, and shall cause their respective Affiliates to, execute, acknowledge and deliver all such further conveyances, notices, assumptions, releases and acquaintances and such other instruments, and shall take such further actions, as may be necessary or appropriate to assure fully to Buyers and their respective successors or permitted assigns, all of the properties, rights, titles, interests, estates, remedies, powers and privileges intended to be conveyed to Buyers under this Agreement and the Ancillary Documents and to assure fully to Sellers and their Affiliates and their successors and permitted assigns, the assumption of the liabilities and obligations intended to be assumed by Buyers under this Agreement and the Ancillary Documents, and to otherwise make effective the transactions contemplated hereby and thereby; all to the extent provided in and in accordance with this Agreement.

ARTICLE 2 CONSIDERATION

2.1 Consideration. The aggregate consideration for the Purchased Assets (the "Purchase Price") shall be (a) \$3,043,906, subject to adjustment pursuant to Schedule 2.1 and (b) the assumption of the Assumed Liabilities.

2.2 Payment of Purchase Price. On the Closing Date, Buyers shall pay the Purchase Price, by wire transfer of immediately available funds pursuant to wire instructions delivered by Sellers to Buyers at least two (2) Business Days prior to the Closing Date.

2.3 Risk of Loss. The risk of all Events of Loss prior to the Effective Time shall be upon Sellers and the risk of all Events of Loss subsequent to the Effective Time shall be upon Buyers.

2.4 Substitution Where Not Transferable. If Sellers shall be unable, on or prior to the Closing, to obtain a consent necessary for the assignment of the applicable Seller's title to, interest in and rights under any Contract to be assigned hereunder, then Sellers and Buyers will use commercially reasonable efforts (a) to enter into a reasonable arrangement designed to enable the applicable Seller to perform its obligations thereunder and to provide for the assignment and assumption by Buyers of the benefits, risks and burdens of, any such Contract, including enforcement at the cost and for the account of Buyers of any and all rights of the applicable Seller against the other party thereto arising out of the future cancellation thereof after the Closing by such other party and (b) to obtain or cause to be obtained, as expeditiously as possible, the written consent of the other parties to such Contract for the assignment or, if required, novation thereof to Buyers or, alternatively, written confirmation from such parties that such consent is not required. As and when after the Closing Date, title to, interest in and rights under any such Contract become transferable, the assignment to Buyers by the applicable Seller of any title to, interest in and rights under such Contract shall be deemed effective at the time such consent or approval is effective, without any further action by Buyers or Sellers. Notwithstanding anything to the contrary contained in this Agreement, (a) the sole Closing condition relating to obtaining any particular consent, approval or authorization of third parties (other than Governmental Authorities) is contained in Section 8.1(d) hereof and (b) nothing in this Section 2.4 shall be deemed to restrict Buyers' right in its sole discretion not to close the transactions in the event such Closing condition is not satisfied or waived.

ARTICLE 3 GOVERNMENTAL CONSENTS

3.1 FCC Consent.

(a) It is specifically understood and agreed by Buyers and Sellers that consummation of the transactions contemplated hereby is expressly conditioned on and is subject to the prior consent of the Federal Communications Commission (the "FCC") of the assignment of the Authorizations from Sellers to Buyers without the imposition of any conditions which would reasonably be expected to have a material adverse effect on either party ("FCC Consent"), as provided in Section 8.1(b).

(b) As soon as practicable but in no event later than ten (10) days after execution of this Agreement, the parties shall file with the FCC one or more applications along with such other documents required to be filed by the Communications Laws or the FCC with respect to the assignment of the Authorizations from the applicable Sellers to the applicable Buyers (collectively, the "FCC Application"). The parties shall cooperate in the preparation of the FCC Application (including the furnishing to each other of copies of such FCC Application) and will diligently take, or cooperate in the taking of, all commercially reasonable steps, provide any additional information reasonably required by the Communications Laws or requested by the FCC staff and otherwise use their commercially reasonable efforts to prosecute the FCC Application, and to obtain promptly the FCC Consent. Buyers, on one hand, and Sellers, on the

other hand, shall each pay fifty percent (50%) of all FCC filing fees in connection with the FCC Application. The parties shall make available to one another, promptly after the filing thereof, true and complete copies of all correspondence and other written communications to or from the FCC with respect to the FCC Application, including any amendments thereto. Each party shall notify the other parties in the event it becomes aware of any facts, actions, communications or occurrences that, directly or indirectly, are reasonably likely to materially and adversely affect obtaining the FCC Consent. The parties shall use all commercially reasonable efforts to obtain the FCC Consent as expeditiously as practicable. Buyers and Sellers shall oppose any petition to deny or other objection filed with respect to the FCC Application to the extent that such petition or objection relates to such party; provided, however, that neither Buyers nor Sellers shall have any obligation to participate in an evidentiary hearing on the FCC Application. If the FCC imposes any condition on a party hereto, such party shall use commercially reasonable efforts to comply with such condition; provided, however, that such party shall not be required to comply with a condition if it would reasonably be expected to have a material adverse effect on such party or any affiliate of such party under common control. If reconsideration or judicial review is sought with respect to the FCC Consent, the party affected shall use commercially reasonable efforts to oppose such efforts for reconsideration or judicial review. Neither Buyers nor Sellers shall intentionally take or fail to take any action that it knows or has reason to know will cause the FCC to deny, delay or fail to approve the FCC Application or cause the FCC Consent not to be granted.

(c) Nothing in this Section 3.1 shall be construed to limit a party's right to terminate this Agreement pursuant to Section 11.1.

ARTICLE 4 CLOSING

4.1 Closing. Except as otherwise mutually agreed upon by Sellers and Buyers subject to Section 8.5, the consummation of the transactions contemplated herein (the "Closing") shall take place at the same offices as the closing under the Other Station Agreements, commencing at 10:00 a.m. on the second business day following the satisfaction or waiver (by the party entitled to waive a condition) of all conditions to the obligations of the parties to consummate the purchase and sale of the Purchased Assets (other than conditions that by their nature are to be satisfied at or prior to Closing (but subject to the satisfaction or waiver of such conditions) or such other date and location as Buyers and Sellers may mutually determine. The date on which the Closing occurs is referred to in this Agreement as the "Closing Date". Unless otherwise agreed by the parties in writing, the Closing shall be deemed effective and all right, title and interest of Sellers to be acquired by Buyers hereunder shall be considered to have passed to Buyers as of 12:01 a.m. (New York City time) on the Closing Date (the "Effective Time").

ARTICLE 5 REPRESENTATIONS AND WARRANTIES OF SELLERS

Subject to the exceptions, disclaimers and other matters set forth in this Article 5 and the matters as may be set forth on the Schedules to this Agreement (it being agreed that any matter disclosed on the Schedules to any Section of this Agreement shall be deemed to have been disclosed with respect to all other Schedules contemplated by Sections of this Agreement if the

relevance of the matter to such other Sections, if read in the context of such other Sections, is reasonably apparent from the information disclosed), Sellers hereby jointly and severally represent and warrant to Buyers, as of the date of this Agreement (except with respect to those representations and warranties that speak as to a particular date or time, which need only be true and correct as of such date or time and except with respect to WTLF, as to which the representations and warranties shall apply only as of, from and after the WTLF Closing), as follows:

5.1 Organization, Standing and Authority. Each Seller is a limited liability company duly organized, validly existing, and in good standing under the laws of the State of Delaware. Each Seller is duly qualified or authorized to do business as a foreign entity and is in good standing under the laws of each jurisdiction in which it owns or leases real property and each other jurisdiction in which the conduct of its business or the ownership of its properties requires such qualification or authorization, except where the failure to be so qualified, authorized or in good standing would not have a Material Adverse Effect. Each Seller has all requisite power and authority to conduct the Business of such Seller and to own, lease and operate its properties. Sellers have delivered to Buyers true, complete and correct copies of their certificate of incorporation and by-laws or comparable organizational documents as in effect on the date hereof. Except as set forth on Schedule 5.1, no Seller has any Subsidiary that is not a Seller. The execution, delivery and performance by each Seller of this Agreement and the other agreements, instruments and documents contemplated by this Agreement (each, an "Ancillary Document" and collectively, the "Ancillary Documents") to which a Seller is or will be a party are within the limited liability company powers of such Seller.

5.2 Authorization and Binding Obligation. The execution, delivery, and performance of this Agreement and the Ancillary Documents have been (or, with respect to such other documents, will prior to the Closing be) duly authorized by all necessary actions on the part of each Seller. This Agreement has been, and the Ancillary Documents have been or will prior to the Closing be, duly executed and delivered by each Seller and, assuming the due authorization, execution and delivery by all the other parties to this Agreement, constitute the legal, valid and binding obligation of each Seller, enforceable against Sellers in accordance with their terms except as the enforceability of this Agreement may be affected by bankruptcy, insolvency, or similar laws affecting creditors' rights generally, and by judicial discretion in the enforcement of equitable remedies.

5.3 Conflicts; Consents of Third Parties.

(a) None of the execution, delivery and performance by Sellers of this Agreement and any Ancillary Document and the consummation of the transactions contemplated hereby or thereby, or the compliance by Sellers with any of the provisions hereof or thereof will conflict with or result in any violation or default under or give rise to a right of termination, cancellation or acceleration (whether after the giving of notice or the lapse of time or both) of any obligation or loss of a material benefit under, or give rise to any obligation of Sellers to make any payment under, or to the increased, additional, accelerated or guaranteed rights or entitlements of any Person under, or result in the creation of any Liens upon any of the properties or assets of Sellers under any provision of (i) the certificate of incorporation or by-laws (or comparable organizational documents) of Sellers, (ii) subject to obtaining the consents and

waivers listed on, and taking the actions on, Schedule 5.3(a), any Material Contract or Permit to which any Seller are a party or by which any Seller or its properties or assets are bound, (iii) any Order applicable to any Seller or any of its properties or assets or (iv) any Applicable Law.

(b) Except as set forth on Schedule 5.3(a), no consent, waiver, approval, Order, Permit or authorization of, or declaration or filing with, or notification to, any Person or Governmental Authority is required on the part of Sellers (A) in connection with the execution and delivery of this Agreement or the Ancillary Documents or the consummation of the transactions contemplated hereby or thereby or (B) the continuing validity and effectiveness immediately following the Closing of any Contract or Permit of Sellers, except for (i) consummation of the WTLF Closing; (ii) the FCC Consent, (iii) such other consents, waivers, approvals, Orders, Permits, authorizations, declarations, filings and notifications, the failure of which to be obtained or made would not reasonably be expected to have a Material Adverse Effect on the ability of each Seller to perform its obligations hereunder or to consummate the transactions contemplated hereby.

5.4 Purchased Assets. The Purchased Assets include all of the assets, properties and rights of every type and description, real, personal and mixed, tangible and intangible, that are necessary for, used or useable in the conduct of the Business in the manner in which that business is conducted, except for the Excluded Assets, and, together with the assets of the Other Stations, are sufficient for Buyers to conduct the Business from and after the Closing Date without interruption as it has been conducted by Sellers.

5.5 Title to Purchased Assets; Liens and Encumbrances. Except as set forth on Schedule 5.5, Sellers own good and marketable title to or have valid leasehold interests in all of the Purchased Assets free and clear of any and all Liens (other than Permitted Encumbrances), and at the Closing, Sellers shall convey each of the Purchased Assets free and clear of all Liens (other than Permitted Encumbrances).

5.6 [Intentionally omitted.]

5.7 Authorizations. Schedule 5.7 includes a true and complete list of all Authorizations. The Authorizations set forth on Schedule 5.7 are valid and in full force and effect and are all of the licenses, permits, or other authorizations issued by the FCC which are required under the Communications Laws or other Applicable Law to operate the Stations in the same manner operated as of the date hereof in all material respects. None of the Authorizations listed on Schedule 5.7 is subject to any condition except those set forth on the face of the Authorizations or those conditions applicable to television stations or facilities of the same type and class as the Stations or the facilities for which the Authorizations have been issued. Except as set forth on Schedule 5.7, no investigation, application, complaint, action, petition, objection, or other proceeding is pending with respect to any of the Sellers, the Stations, or the Authorizations, and, to Sellers' Knowledge, no investigation, application, complaint, action, petition, objection, or other proceeding is threatened with respect to Sellers, the Stations, or the Authorizations (in each case other than proceedings of general applicability to the television industry). Assuming consummation of the WTLF Closing (with respect to WTLF only) and receipt of the FCC Consent, Sellers are and will be qualified under the Communications Laws to assign the Authorizations to Buyers. Sellers have no reason to believe that the FCC Application

is reasonably likely to be challenged or is reasonably likely not to be granted by the FCC in the ordinary course due to any fact or circumstance relating to Sellers or Sellers' operation of any or all of the Stations or any of their Affiliates.

5.8 Compliance with FCC Requirements. Except as set forth on Schedule 5.8:

(a) Each Station, its physical facilities, electrical and mechanical systems and studio equipment, have been operated in all material respects in accordance with the Communications Laws.

(b) Each Station is in compliance in all material respects with all requirements of the FCC applicable to antenna support structure lessees with respect to the construction and/or alteration of such Station's antenna support structures, and, where required, "no hazard" determinations for each antenna structure have been obtained, and where required by Applicable Law, including the Communications Laws, each antenna structure has been registered with the FCC, and, to Sellers' knowledge, such antenna structures comply in all material respects with all other requirements of the FCC.

(c) All material reports and other filings required by the Communications Laws and other applicable Law, with respect to each Station, including, without limitation, all regulatory fee payments and all materials required to be placed in each Station's public inspection file, have been timely and properly filed and/or paid, as applicable, and are complete and accurate in all material respects.

(d) There is not now issued or outstanding, or pending or, to Sellers' Knowledge, threatened, by or before the FCC, any order to show cause, notice of violation, notice of apparent liability, notice of forfeiture or complaint relating to any Station.

(e) Except as set forth in this Section 5.8(e) or on Schedule 5.8(e), each of the Stations is operating in accordance with the applicable Authorization in all material respects and not pursuant to any special temporary authority or other waiver. WSWB(TV) has not completed the construction of digital facilities required by the FCC's Report and Order released on September 7, 2004 in MB Docket No. 03-15 and has not obtained or filed an application for a license to cover its DTV construction permit. WSWB(TV) is operating reduced power DTV facilities pursuant to special temporary authority. Schedule 5.8(e) includes a table which provides (i) the status of construction of the Station's DTV facilities, (ii) the estimated date of completion of construction (with the understanding that completion of construction will entitle the appropriate Seller to file an application with the FCC for a license to cover the construction permit), and (iii) if the estimated date for completion of construction is after July 1, 2006, the reasons for the delay.

5.9 Digital Television. Each Station has been assigned a channel by the FCC for the provision of DTV service. There are no pending petitions for rulemaking or notices of proposed rulemaking to reallocate the DTV allotment of any Station or, to Sellers' Knowledge, to reallocate the digital or analog television allotment of any other station that would reasonably be expected to have a material adverse effect on any Station. Each Station is or has been authorized under a construction permit issued by the FCC to construct DTV facilities. Except as set forth in

Schedule 5.9, there is no pending application before the FCC for any of the Stations to modify their Authorizations for DTV service or to change such Station's DTV allotment. Except as set forth in Schedule 5.9, WSWB has an Authorization (construction permit or license) from the FCC to operate DTV facilities that are predicted to at least replicate the area and population coverage of such Station's analog facilities.

5.10 MVPD Matters. Except as set forth on Schedule 5.10, each Station's signal is carried on all of the cable systems with at least 5,000 subscribers serving the Designated Market Areas ("DMA") (as such term is defined in Section 76.55(e)(2) of the FCC's rules and regulations) for each Station pursuant to must-carry notices or retransmission consent notices or retransmission consent agreements that are listed on Schedule 5.10, and Sellers have no Liability to any Person arising under or in respect of their performance of the Station's cable or satellite carriage agreements, including, without limitation, copyright royalties (except as listed on Schedule 5.10). Each such notice or agreement is in full force and effect, and Sellers have no Knowledge of any reason that a cable system operator or satellite program service provider may terminate such carriage during its current term. Except as set forth on Schedule 5.10 and except with respect to cable television systems (i) that are parties to the retransmission consent agreements listed on Schedule 5.10 or (ii) with whom a Station is currently negotiating a retransmission consent agreement, each Station has made a must-carry election (by default or otherwise) with respect to each cable system located within each Station's DMA with respect to the period commencing January 1, 2006. Schedule 5.10 includes a list of satellite carriers that are presently carrying the signals of any Station pursuant to Applicable Law or a retransmission consent agreement. Except as set forth in Schedule 5.10, no MVPD has notified Seller or any or all of the Stations in writing of any signal quality deficiency or copyright indemnity or other prerequisite to carriage of any or all of the Stations' signals, and no MVPD has declined or threatened to decline such carriage or failed to respond to a request for carriage or sought any form of relief from carriage at the FCC. Schedule 5.10 contains a true and complete list, including channel positions, of all cable television systems with at least 5,000 subscribers in each Station's DMA on which each Station's signal is presently carried.

5.11 Compliance With Law.

(a) Except as set forth on Schedule 5.11 (other than the Communications Laws which are addressed in other Sections hereof): (i) Sellers are in compliance in all material respects with all Laws applicable to the Business; (ii) no Seller has received any written or other notice of or been charged with the violation of any Applicable Laws relating to the Business; and (iii) to Sellers' Knowledge, no Seller is under investigation with respect to the violation of any Applicable Laws relating to the Business.

(b) Schedule 5.11 contains a list of all material Permits which are required for the operation of the Stations as presently conducted and as presently intended to be conducted. Except as set forth on Schedule 5.11: (i) Sellers currently have all material Permits which are required for the operation of the Stations as presently conducted; and (ii) no Seller is in default or violation, and no event has occurred which, with notice or the lapse of time or both, would constitute a default or violation, in any material respect of any term, condition or provision of any material Permit to which it is a party, to which the Stations is subject or by which its properties or assets are bound.

5.12 Litigation. Except for the Chapter 11 Case and any FCC rulemaking proceedings generally affecting the broadcasting industry or as listed on Schedule 5.12, there are no claims, actions, suits, litigation, labor disputes, arbitrations, proceeding, or investigations (“Legal Proceedings”) pending or, to Sellers’ Knowledge, threatened against, relating to, or affecting Sellers, the Business or the transactions contemplated by this Agreement (or to Sellers’ Knowledge, pending or threatened, against any of the officers, directors or key employees of Sellers with respect to their business activities on behalf of Sellers), or to which any Seller is otherwise a party, that would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Other than as listed on Schedule 5.12, no Seller is subject to any Order of any Governmental Authority except to the extent the same could not reasonably be expected to have a Material Adverse Effect and no Seller is engaged in any legal action to recover monies due it or for damages sustained by it.

5.13 Tax Matters. Except as set forth on Schedule 5.13:

Except as otherwise expressly provided in this Agreement or expressly agreed to in writing by the parties hereto after the date hereof, Buyers shall not assume any Employee Benefit Plan or any Liability or obligation thereunder.

(f) COBRA. Seller shall be exclusively responsible for complying with COBRA with respect to the Excluded Employees and their qualified beneficiaries by reason of any such employees' termination of employment with Seller, and Buyers shall not have any obligation or liability to provide rights under COBRA on account of any such termination of employment of such Excluded Employees. In the event Sellers are unable to provide COBRA for Excluded Employees, Buyers shall do so; provided, that, any out-of-pocket cost or expense of Buyers associated therewith is borne by Sellers. Prior to the Closing, Buyers shall not, directly or indirectly, control, supervise, direct, or attempt to control, supervise or direct, the operations of any of the Stations, and such operations, including complete control and supervision of each of the Station's programs, employees and policies, shall be the sole responsibility of each Seller, as applicable, until the consummation of the Closing hereunder.

In the event Sellers or Buyers wish to destroy the records held by them or their Affiliates relating to the Business, such party shall first give thirty (30) days prior written notice to the other and such other party shall have the right at its option and expense, upon prior written notice given to such party within such thirty- (30) day period, to take possession of the records within sixty (60) days after the date of such notice.

7.11 Use of Name. Buyers hereby agree that upon the consummation of the transactions contemplated hereby, Sellers shall retain the sole right to the use of the name "Mystic" or similar names or any service marks, trademarks, trade names, identifying symbols, logos, emblems or signs containing or comprising the foregoing, including any name or mark confusingly similar thereto (collectively, the "Seller Marks") and Buyers shall not, and shall not permit any Affiliate to, use such name or any variation or simulation thereof. In furtherance thereof, as promptly as practicable but in no event later than ninety (90) days following the Closing Date, Buyers shall remove, strike over or otherwise obliterate all Seller Marks from all Purchased Assets and other materials owned by Buyers and used or displayed publicly including any sales and marketing materials, displays, signs, promotional materials and other materials.

8.5 WTLF Delay. In the event that the closing under the WTLF Agreement shall not have occurred, or the closing conditions with respect to the sale of WTLF hereunder have not been met or waived, but all closing conditions relating to WSWB with respect to the sale of WSWB hereunder have been met, the parties agree to close the sale of WSWB without simultaneously closing WTLF, in which event the Purchase Prices with respect to WSWB and WTLF shall be as set forth in Schedule 2.1 hereto. In such event, Sellers shall use commercially reasonable efforts to satisfy all closing conditions with respect to WTLF under the WTLF Agreement and this Agreement, and the parties agree to close WTLF as promptly after the WSWB Closing as possible.

or to any other or additional persons and addresses as the parties may from time to time designate in a writing delivered in accordance with this Section.

15.9 Waivers. No action taken pursuant to this Agreement, including without limitation, any investigation by or on behalf of any party, shall be deemed to constitute a waiver by the party taking such action of compliance with any representation, warranty, covenant or agreement contained herein. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provision hereof, nor shall such waiver constitute a continuing waiver. No waiver shall be binding unless executed in writing by the party making the waiver. No failure on the part of any party to exercise, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such party preclude any other or further exercise thereof or the exercise of any other right, power or remedy. All remedies hereunder are cumulative and are not exclusive of any other remedies provided by law

15.10 Entire Agreement. This Agreement and the Schedules attached hereto and the Ancillary Documents provided for herein constitute the entire agreement and understanding of the parties hereto relating to the matters provided for herein and supersede any and all prior

agreements, arrangements, negotiations, discussions and understandings relating to the matters provided for herein.

15.11 Interpretation. Article titles and headings to sections herein are inserted for convenience of reference only and are not intended to be a part of or to affect the meaning or interpretation of this Agreement. The Schedules referred to herein shall be construed with and as an integral part of this Agreement to the same extent as if they were set forth verbatim herein.

15.12 Schedules. The inclusion of information in the Schedules hereto shall not be construed as an admission that such information is material to the Business, the Stations or Sellers or any of its Subsidiaries. In addition, matters reflected in the Schedules are not necessarily limited to matters required by this Agreement to be reflected in such Schedules. Such additional matters are set forth for informational purposes only and do not necessarily include other matters of a similar nature.

15.13 No Third Party Beneficiaries. This Agreement is not intended to confer upon any Person other than the parties hereto and their successors and permitted assigns in accordance with Section 15.3, and, as to Section 15.13 only, those Persons described in Section 15.14.

15.14 Non-Recourse. Notwithstanding any term or provision of this Agreement, (i) except as set forth in Section 15.16 relating to specific performance, none of Sellers, Buyers and their respective past, present or future directors, managers, officers, employees, incorporators, members (direct or indirect), partners, equityholders (direct or indirect), Affiliates, agents, attorneys, consultants, trustees or representatives of Buyers or their Affiliates, or of Sellers or their Affiliates (it being acknowledged and agreed that, for the avoidance of doubt, the foregoing shall include and apply to, with respect to Sellers, Daniel J. Duman, and, with respect to Buyers, Charles E. Parente) shall have any liability for any obligations or liabilities of Buyers or Sellers, as applicable, under or with respect to this Agreement or the Ancillary Documents, as applicable, of or for any claim based on, in respect of, or by reason of, the transactions contemplated hereby and thereby, and (ii) the terms and provisions of this Section 15.14 shall survive the termination of this Agreement or the Closing indefinitely and without limitation as to time. The parties acknowledge and agree that the terms and provisions of this Section 15.14 are a material inducement for each of them to enter into and to perform this Agreement and that each would not enter into this Agreement but for this Section 15.14.

15.15 Waiver of Right to Trial by Jury. Each party to this Agreement waives any right to trial by jury in any action, matter or proceeding regarding this Agreement or any provision hereof.

15.16 Specific Performance. The parties recognize that if Buyers or Sellers breach their respective obligations to consummate the transactions contemplated by this Agreement and refuse to perform under the provisions of this Agreement, monetary damages alone would not be adequate to compensate Sellers and Buyers, respectively, for their injuries. Buyers and Sellers

shall therefore be entitled to obtain specific performance of the terms of this Agreement. If any action is brought by Buyers or Sellers to enforce this Agreement, Sellers or Buyers, as the case may be, shall waive the defense that there is an adequate remedy at law.
