

ASSET PURCHASE AGREEMENT

 **THIS ASSET PURCHASE AGREEMENT** (the "Agreement") is entered into as of the day of March, 2009, by and between **Mountain Community Translators, LLC** ("Buyer") and **Educational Communications of Colorado Springs, Inc.** ("Seller").

Background

WHEREAS, Seller holds a license (the "License") issued by the Federal Communications Commission ("FCC") for FM translator station K243AM, Colorado Springs, Colorado (Facility ID No. 139085) (the "Station"); and

WHEREAS, subject to FCC consent, Seller wishes to sell the License for the Station to Buyer, and Buyer wishes to purchase same from Seller.

NOW, THEREFORE, in consideration of the foregoing and the mutual promises, representations and covenants contained herein, the parties, intending to be bound legally, subject to the terms and conditions set forth herein agree as follows:

1. Assignment and Sale of License.

(a) Subject to the terms and conditions set forth in this Agreement, Seller agrees to convey, transfer, and assign to Buyer at the Closing (as defined in Section 3) all of Seller's right, title, and interest in and to the License for the Station (copies of which are annexed hereto in Schedule 1). There are no other assets relating to the Station being sold.

(b) As consideration for the License, on the Closing Date, Buyer shall transfer to Seller a BE 25 kW transmitter that Seller recently removed from Palmer Lake, CO.

2. FCC Consent. Within five (5) business days of the execution of this Agreement, the parties shall file an application (the "Assignment Application") for FCC consent to the assignment of the License for the Station (the "FCC Consent"). Buyer shall be responsible for payment of any filing fee required by the FCC for the Assignment Application. Each party shall be responsible for its own costs relating to the preparation of the Assignment Application. Buyer and Seller agree to proceed expeditiously and with due diligence to use their best efforts to cooperate with each other in seeking the FCC's approval of the transaction contemplated herewith.

3. Closing. Within ten (10) business days after the FCC Consent in an FCC public notice becomes final, that is no longer subject to appeal or review, the parties shall consummate the transaction contemplated by this Agreement at a closing (the "Closing"); provided, however, Buyer, at its sole discretion, may consummate the transaction on grant of FCC consent prior to finality. At the Closing, Seller shall deliver to Buyer a Bill of Sale, an Assignment of License, and any other documents of conveyance reasonably requested by Buyer and necessary to consummate the transaction contemplated by this Agreement. Buyer and Seller shall each deliver to the other a certificate executed by an officer or managing member of the respective companies certifying that the representations and warranties of such party contained herein are true and correct as of the Closing Date, as if made on such date.

4. **Pre-Closing Covenants.** Should Buyer wish to modify the facilities of the Station prior to Closing, Seller will cooperate in the filing of such applications and provide written permission to Buyer for filing with the FCC, as necessary; however, Buyer shall be responsible for the payment of all filing fees and legal and engineering costs associated with the preparation and filing of such applications. The Closing shall not be contingent upon or otherwise delayed by the filing, failure to file, pending status or grant of such applications. If an application filing becomes the subject of a complaint, petition to deny or informal objection, Buyer shall be solely responsible for all costs, fees and expenses associated with opposing such filing unless such objection is raised as a result of some matter or issue related to the Seller. The parties will cooperate fully with each other in fulfilling their respective obligations under this Agreement, including using their respective reasonable best efforts to obtain the required FCC Consent.

5. **Condition Precedent to Closing.** The parties acknowledge and agree that the FCC Consent to the assignment of the License from Seller to Buyer is a condition precedent to the Closing provided that such Consent is final, that is, no longer subject to reconsideration or appeal.

6. **Representations and Warranties.** Each party hereto expressly represents and warrants that it has the full power and authority to enter into and execute this Agreement. Subject only to the FCC Consent, there is no constraint upon either party's legal ability to perform its responsibilities hereunder. Seller represents and warrants to Buyer that no person or entity is entitled to any brokerage commissions or finder's fees in connection with the transaction contemplated by this Agreement as a result of any action taken by Seller. Buyer represents and warrants to Seller that no person or entity is entitled to any brokerage commissions or finder's fees in connection with the transaction contemplated by this Agreement as a result of any action taken by Buyer. Seller represents and warrants to Buyer that the License has been validly issued by the FCC, that it is in full force and effect, that it constitutes all of the authorizations issued by the FCC in connection with the Station and that it is not subject to any restriction or condition that would limit the operation of the Station. Seller further warrants that the authorizations shall be unencumbered in any way and shall be free and clear of all claims.

7. **Termination.** This Agreement may be terminated at any time prior to the Closing as follows:

(a) by mutual written consent of Buyer and Seller;

(b) by written notice from a party that is not then in material breach of this Agreement if the other party has failed to cure its material breach of any of its representations, warranties or covenants under this Agreement within thirty (30) days after receipt of written notice of such breach from the party not in material breach; or

(c) by written notice of a party to the other party, if the Closing shall not have occurred by the first anniversary from the filing of the Assignment Application, provided, however, that if the Closing shall not have occurred because the FCC Consent shall not have been granted, this Agreement may not be terminated by a party who materially contributed to the delay in the issuance of the FCC Consent.

8. Effect of Termination.

(a) If this Agreement is terminated by the parties pursuant to Section 7(a) or (c), then neither party shall have any further liability to the other, and this Agreement shall be deemed null and void and of no further force and effect.

(b) If this Agreement is terminated by Seller or Buyer pursuant to Section 7(b), subject to Section 9(a) hereof, that party shall have all rights to pursue any remedy available to it for breach.

9. Miscellaneous.

(a) Specific Performance. The parties recognize that if Seller refuses to perform its obligations under this Agreement, monetary damages alone would not be adequate to compensate Buyer for its injury. Buyer shall therefore be entitled to obtain specific performance of this Agreement. If any action is brought by Buyer to enforce this Agreement, Seller shall waive the defense that there is an adequate remedy at law and to interpose no opposition to the propriety of specific performance as a remedy. Buyer's right to seek specific performance shall be an alternative to and not additional to the exercise of any other remedies available to Buyer at law.

(b) Notices. All notices, demands, requests or other communication required or permitted hereunder shall be in writing and sent by overnight air courier service (charges prepaid), or personal delivery to the appropriate party at the address specified below (or to such other address which a party shall specify to the other party in writing):

(l) Expenses. Except as otherwise provided herein, each party shall be solely responsible for all fees and expenses each party incurs in connection with the transaction contemplated by this Agreement, including, without limitation, legal fees incurred in connection herewith.
