Notes:
 /1/ - The contour overlap requirements are met. See Allocation Study Map exhibit.
 /2/ - Applicant's pending short-form application facility (no change in parameters.)
 /3/ - The contour overlap requirements are met. See Allocation Study Map exhibit.
 /4/ - The contour overlap requirements are met. See Allocation Study Map exhibit.
 /5/ - Although the contour overlap requirements are not met, it is demonstrated herein that no interference will be caused to any populated areas or publicly accessible areas. A waiver of Section 74.1204 of the FCC Rules is requested to the extent necessary under the 'Living Way' precedent since no actual interference will occur.
