David S. Smith, the Shareholder, Director, President and Treasurer of Mission also is the Director, President, Treasurer and 100 percent shareholder of Mission Broadcasting III, Inc. ("Mission III"). Mission III submitted an application to the Commission for a construction permit for construction of a new station on channel 4 in Utica, New York, on July 24, 1996. The application was not accepted for filing by the Commission and was returned pursuant to the Commission's letter of September 12, 1996 stating that Utica, New York is within the "freeze" area imposed by the Commission. Mission III submitted a petition for reconsideration on October 15, 1996, which remains pending, and an amendment to the application on July 17, 2000. (No facility number has been assigned.)
