UCI is a publicly-traded company, and no single person or entity holds 33% or more of the debt/equity of the company. A. Jerrold Perenchio is the single majority shareholder, with an approximate 56.34% voting interest in UCI, by virtue of the fact that his Class P common stock is entitled to 10 votes per share so long as he continues to own at least 30% of the shares he held on October 2, 1996. As a result, Mr. Perenchio controls the election of all but two of the company's ten directors, as well as the company itself.

Grupo Televisa, S.A. and Venevision Investments LLC are shareholders of UCI which are each entitled to elect one of the remaining two directors to the Board of Directors and which are controlled by non-U.S. citizens. In addition, each entity holds non-voting stock and certain warrants which would allow it to increase its holdings to the extent that it is lawful for such a foreign entity to do so. In the past, the Commission has routinely approved interests such as these held by foreign entities. *See Univision Holdings, Inc.*, 7 FCC Rcd 6672, 6673-74 (1992); FCC File Nos.
