

Description of the Proposed Transaction

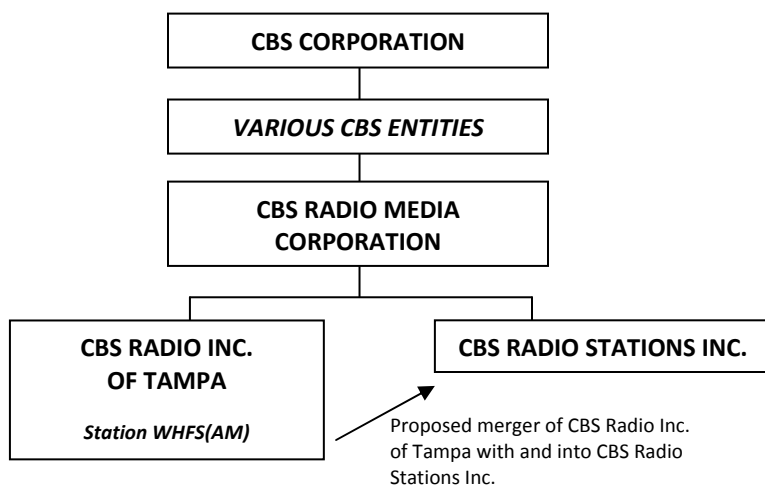

This application seeks the Commission's consent to the *pro forma* assignment of the license for broadcast television station WHFS(AM), Seffner, Florida (Facility ID No. 28629), from CBS Radio Inc. of Tampa to CBS Radio Stations Inc.

The use of FCC Form 316 is appropriate because CBS Corporation currently controls, and will continue to control, WHFS(AM) following the proposed assignment. Therefore the proposed assignment will not result in a substantial change in the beneficial ownership or control of any FCC licensee.

CBS Corporation is the indirect parent of CBS Radio Media Corporation, which is the sole shareholder of both CBS Radio Inc. of Tampa and CBS Radio Stations Inc. The proposed assignment will be effectuated by CBS Radio Inc. of Tampa merging with and into CBS Radio Stations Inc., which will be the surviving entity.

The following charts depict the current and proposed ownership of WHFS(AM).
