Re: CBS Radio Holdings, Inc.  
WPEG(FM), Concord, North Carolina  
Facility Identification Number: 6586  
Special Temporary Authority

Dear Mr. Benedict:

This is in reference to the request filed August 22, 2012, on behalf of CBS Radio Holdings, Inc. ("CBS"). CBS requests extension of the special temporary authority ("STA") granted on March 5, 2012, to operate Station WPEG with reduced power.<sup>1</sup> In support of the request, CBS states that replacement of the the station's antenna was delayed due to the need to obtain a new tower lease. CBS further states that the new lease has been obtained and that installation of the new antenna has been scheduled for September 10, 2012.

Requests for extension of STA will be granted only where the licensee can show that one or more of the following criteria have been met:

- Restoration of licensed facilities is complete and testing is underway;
- Substantial progress has been made during the most recent STA period toward restoration of licensed operation; or
- No progress has been made during the most recent STA period for reasons clearly beyond the licensee's control, and the licensee has taken all possible steps to expeditiously resolve the problem.

Our review indicates that the licensee has made substantial progress toward restoring licensed operation. Thus, extension of STA is warranted.

Accordingly, the request for extension of STA IS HEREBY GRANTED. Station WPEG may

---

<sup>1</sup> WPEG is licensed for operation on Channel 250C (97.9 MHz) with effective radiated power of 95 kilowatts (Max-BT, DA, H&V) and antenna height above average terrain of 491 meters.

continue to operate with reduced power. CBS must notify the Commission when licensed operation is restored. CBS must use whatever means are necessary to protect workers and the public from exposure to radio frequency radiation in excess of the Commission's exposure guidelines. *See* 47 CFR § 1.1310.

This authority expires on **December 6, 2012**.

Sincerely,

A handwritten signature in blue ink, appearing to read "Charles N. Miller".

Charles N. Miller, Engineer
