### Breaches

Seller failed to pay the Inner City Note when due on June 30, 2003. The face value of the Inner City Note, entered into on July 7, 2000, is \$750,000. The Note is held by Inner City Cable Television Systems, Inc., a 24% shareholder in Seller. Inner City has advised Seller that it will forbear from taking legal action to receive payment on the Inner City Note as long as Seller continues to demonstrate that it is making progress toward a sale of the Station and a full payoff of the Inner City Note, including all accrued interest, at Closing.
