

TECHNICAL STATEMENT  
RADIO MULTIPLE OWNERSHIP ANALYSIS  
CLEAR CHANNEL BROADCASTING LICENSES, INC.

This statement and the attached figures were prepared on behalf of Clear Channel Broadcasting Licenses, Inc. ("CCBL"), a licensee subsidiary of Clear Channel Communications, Inc. ("CCC"). CCBL proposes to modify the facilities of WRBT(FM), Harrisburg, PA. A multiple ownership analysis was prepared considering the following radio stations under present or proposed common ownership, time brokerage or joint sales.<sup>1</sup>

Since certain of these stations have overlapping principal community contours (5 mV/m for AM stations, 3.16 mV/m for FM stations), or are located in, or home to, the same Arbitron Metro Markets, an ownership study has been prepared in accordance with the Federal Communications Commission's local radio ownership rule.<sup>3</sup>

CCC does not have an attributable interest in any other station with a principal community contour that overlaps or intersects the principal community contour of WRBT(FM) as proposed, or which is located in the same Arbitron Metro<sup>4</sup> as WRBT(FM)). The community of license of WRBT(FM) is located within the Harrisburg-Lebanon-Carlisle, PA Arbitron Metro, and WRBT(FM) is

<sup>1</sup> None of the following stations are attributable by virtue of a time brokerage agreement or joint sales agreement.

<sup>2</sup> Arbitron data presented herein is obtained from BIA's "Media Access Pro."

<sup>3</sup> See 47 C.F.R. § 73.3555(a).

<sup>4</sup> A station is considered to be "located in an Arbitron Metro" if the station's community of license is located within the boundaries of that Metro, or, the station is listed as "Home" to that Metro by BIA.

reported by BIA as being "Home" to that Metro only. Contour overlap of the station to be modified, as depicted in Figure 1, also occurs with commonly-owned stations whose communities of license are located in the Harrisburg-Lebanon-Carlisle, PA Arbitron Metro market.

Arbitron Market Study

WRBT(FM) is reported by BIA as being "Home" to the Harrisburg-Lebanon-Carlisle, PA Arbitron Metro. This proposal is in compliance with the local radio ownership rules for that Arbitron Metro, as evidenced by Table 2 below:

#### Interim Contour-Overlap Analysis

Because the community of the station to be modified, and the communities of all commonly-owned or attributable stations with overlapping principal contours with the station to be modified, are located in an Arbitron Metro, an interim contour-overlap analysis is not required.

#### Radio - Television Multiple Ownership

A separate Radio-Television Cross Ownership Statement is being submitted with this application that demonstrates that the common ownership of one television station and six radio stations in the subject DMA complies with Section 73.3555(c) of the FCC Rules.

#### Conclusions

In the Arbitron Radio Market studied herein, there are at least 30 radio stations, including the subject commonly-owned 3-AM / 3-FM stations, which are home to the Harrisburg-Lebanon-Carlisle, PA Metro. This proposal does not affect the existing number of commonly-owned stations in the subject Metro.

Based on the above, it is concluded that the proposed modification complies with Section 73.3555(a) of the FCC Rules.

Respectfully submitted,

Lance Nelms
