

## **MULTIPLE OWNERSHIP EXHIBIT**

According to the FCC's local ownership "tiers," in a Metro reported by BIA as having between 45 or more (inclusive) "home" commercial and noncommercial educational full-power radio stations, a party may have a cognizable interest in up to 8 commercial full-power radio stations, not more than 5 of which are in the same service (AM or FM). In the Seattle-Tacoma, Washington Arbitron Metro there are 77 commercial and noncommercial educational full-power radio stations. This application complies with the local radio ownership portion of the multiple ownership rules set forth in 47 C.F.R. Section 73.3555 because only 3 full-power radio stations (KDDJ-FM, KWMG(AM), and KMCQ(FM)) will be attributable to First Broadcasting Investment Partners, LLC and any party to this application.
