

EXHIBIT 10

CHANGES IN INTERESTS

For business reasons, this application proposes the *pro forma* assignment of the licenses held by South Williamsport SabreCom, Inc. ("SabreCom") to Backyard Broadcasting Williamsport Licensee, LLC ("Backyard Williamsport Licensee"). Figure 1 attached shows the current ownership structure: SabreCom, the stations' current licensee, is an indirect wholly owned subsidiary of Backyard Broadcasting Holdings, LLC ("Backyard Holdings"). As depicted in Figure 2 attached, SabreCom proposes to assign the licenses to Backyard Williamsport Licensee, a wholly owned subsidiary of SabreCom. Because all of the entities involved in this proposed transaction are controlled by Backyard Holdings, and because the transaction contemplates merely the assignment of the stations' licenses to a wholly owned subsidiary of the current licensee, the use of Form 316 is appropriate. Because this proposed transaction involves an internal restructuring, there are no agreements.

The officers, directors and members/shareholders of SabreCom and Backyard Williamsport Licensee are listed below.

South Williamsport SabreCom, Inc.

Sole Shareholder: Sabre Communications, Inc.

Directors:
