

ENGINEER'S CERTIFICATION

Re: The Drive LLC
KHRQ(FM)
Baker, CA
Construction Permit File No. BPH- 20070425AGM

I, Thomas McNeill, do hereby certify the following:

- (1) That I held an FCC First Class Radiotelephone license from 1979 until the FCC discontinued issuing such licenses;
- (2) That I have first hand experience with the construction, operation and maintenance of broadcast facilities;
- (3) That I currently serve as chief engineer for the following nine radio stations: KRXV(FM), Yermo, CA; KHWY(FM), Essex, CA; KHYZ(FM), Mountain Pass, CA; KHYZ(FM2), Las Vegas, NV; KHDR(FM), Lenwood, CA; KIXW(FM), Lenwood, CA; KHRQ(FM), Baker, CA; KIXF(FM), Baker, CA; and KHWZ(FM), Ludlow, CA;
- (4) That I have been retained by The Drive LLC to assist with the construction of KHRQ(FM) as authorized by the FCC in File No. BPH-20070425AGM; and
- (5) That I have overseen the installation of the directional antenna for KHRQ(FM) and that the installation was completed according to the instructions of the antenna manufacturer, Systems With Reliability, Inc.

Respectfully submitted,

Thomas McNeill
