In re: Low Power Television Application of:
Media-Com Television, Inc.
Channel 16, Cleveland, OH.
File no.: BDISDTA-20091201AJL
Facility Id No.: 41074

Dear Applicant:

We are currently processing your above-referenced application. Our preliminary engineering review reveals that your proposed facility does not comply with the Commission's interference rules. Specifically, the proposal is predicted to cause interference to the following facilities:

1. The proposed facility causes objectionable interference to the protected area of the Land Mobile service in DETROIT, MI on Channel 15
2. The proposed facility causes objectionable interference to the protected area of the Land Mobile service in CLEVELAND, OH on Channel 15
3. The proposed facility causes objectionable interference to the protected area of the Land Mobile service in DETROIT, MI on Channel 16

You are hereby given the opportunity to file a minor amendment to resolve these specified interference problems within (30) days from the date of this letter. Amendments must be filed electronically. If not so amended, your application will be considered incomplete and subsequently dismissed.

Sincerely

Hossein Hashemzadeh
