**Re: NEW, Topeka, KS
Facility Id. No. 193922
Family of God Fellowship Church, Inc.
BNPL-20131107ALX**

Dear Ms. Dortch:

Family of God Fellowship Church, Inc. ("Family"), applicant for the above-referenced new Low Power FM Station at Topeka, Kansas, herein reports that it has retained Dynamic Environmental Associates, Inc. ("DEAI") to prepare a study to demonstrate that Family's proposed LPFM facilities comply with the Nationwide Programmatic Agreement and Section 106 of the National Historic Preservation Act. DEAI anticipates that its study will be completed within approximately 120 days.

This letter is being filed in response to the Audio Division's letter of May 13, 2014. Further updates will be submitted each 30 days until such time as DEAI's study has been completed and Family has amended its application to make an affirmative environmental certification.
