

# LEJA SURVEYING

Land Surveying & Mapping  
Legal Descriptions  
Court Diagrams

I, Steve A. Leja, Licensed Land Surveyor by the State of California, hereby state that on 5 October 2001 I surveyed the installation of the directional FM antenna for KLRD, Yucaipa, California. I found that the antenna mount has been installed in accordance with the manufacturer's instructions and is oriented at a true azimuth of 312°.
