Consent to File Minor Modification Application

Dear Ms. Dortch:

Pursuant to Section 73.3517(a) of the Commission's rules, Weber State University, licensee of the above referenced radio station, hereby grants permission to Educational Media Foundation ("EMF"), the proposed assignee (see File No. BALED-20170609AAF) of the station's FCC license, to file a minor modification application. This minor modification application will be contingent upon the consummation of the assignment of the station's FCC license from Weber State University to EMF. The application will be filed at EMF's expense prior to the closing. If the consummation of the assignment of the above referenced station's license to EMF does not occur, EMF will request that the FCC dismiss the minor modification application as moot and return the station's license to its current specifications.

Sincerely,  
Weber State University
