**Re: Notice of Interference Acceptance**

Dear Dave:

I understand that Cooperative Television Association of Southern Minnesota ("CTV") plans to file an application with the FCC to flash-cut K14KE, St. James, MN (Facility ID 13840) to Channel 14-D. I also understand that CTV's proposal for K14KE is predicted to cause interference to South Central Electric Association's ("SCEA") analog Station K14KD, Frost, MN (Facility ID 61028).

SCEA hereby agrees to accept interference caused by CTV's flashcut operations on Channels 14-D at St. James, MN.

You have SCEA's permission to file copies of this letter with the FCC in connection with CTV's flash-cut applications referenced above

Sincerely yours,

Tom Malone, Manager  
South Central Electric Association
