Declaration

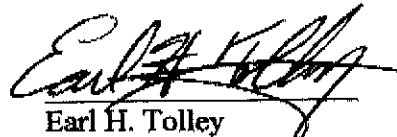

I, Earl Tolley, state that I hold a BSEE from Ohio State University, and a valid FCC General Radiotelephone Operator License (formerly, a First Class Radiotelephone Operator License) my qualifications are known to the Federal Communications Commission, and that I am the Principal of Audio Visions Inc. and T&T Towers and that I have been providing telecommunications services since 1968.

The firms of Audio Visions Inc. and T&T Towers were requested by REY-CEL Broadcasting Inc. to install the monopole modification and antenna system described herein.

Further, that a Jampro JMPC-4 RFR DA Serial Number 11700 was installed under my direct supervision according to Jampro's instructions and good engineering practice for KPMW (FCC Facility ID 56069).

The purpose of this submission is to certify that the installation was made in conformance with appropriate FCC Rules and Regulations and to satisfy requirements of Special Operating Condition #4 of the stations' construction permit.

Under penalties of perjury, I hereby certify that all statements herein are correct and true of my own knowledge except wherein stated to be based upon information or belief, and as to such statements, I believe them to be true
