Seller shall pay the final salaries of each of the employees of the Seller for monies due them to and including the Closing Date.

3.4 Assignment of Contracts and Rights. Anything in this Agreement to the contrary notwithstanding, this Agreement shall not constitute an agreement to assign any Asset or any claim or right or any benefit arising thereunder or resulting therefrom if such assignment, without the consent of a third party thereto, would constitute a breach or other contravention of such Asset or in any way adversely affect the rights of Buyer or Seller thereunder. Seller and Buyer shall use their commercially reasonable efforts to obtain such consents after the execution of this Agreement until each such consent is obtained, but prior to the Closing Date. If such consent is not obtained prior to the Closing Date, Seller and Buyer will cooperate in a mutually-agreeable arrangement under which Buyer will obtain the benefits and assume the obligations thereunder in accordance with this Agreement, including sub-contracting, sub-licensing, occupancy and use agreements or sub-leasing to Buyer and enforcement by Seller for the benefit of Buyer of any and all rights of such Seller against a third party thereto. At Closing, Seller and Buyer shall join in causing the Escrow Deposit to be applied to the Purchase Price and remitted to Seller. Any interest accrued on the Escrow Deposit shall be disbursed to Buyer. If this Agreement is not consummated because of Buyer’s default, the Escrow Deposit and any interest accrued thereon shall be disbursed to Seller in accordance with this Agreement. If this Agreement is terminated for any other reason, the Escrow Deposit and any interest accrued thereon shall be disbursed to Buyer. The parties shall each instruct the Escrow Agent to disburse the Escrow Deposit and all interest thereon to the party entitled thereto and shall not, by any act or omission, delay or prevent any such disbursement.

5. **Closing of the Agreement.** The Closing shall take place by the exchange of signed documents via facsimile, electronic mail or overnight courier, within five (5) Business Days after the FCC has granted the FCC Consent, subject to satisfaction or waiver of all other conditions to Closing set forth herein (other than those required to be satisfied at Closing).

6. **Seller’s Representations, Warranties.** Seller makes the following representations and warranties, each of which shall be deemed to be a separate representation and warranty, all of which have been made for the purpose of inducing Buyer to join in and execute this Agreement, and in reliance on which Buyer has entered into this Agreement:

Each Seller’s execution and delivery of this Agreement and consummation of the transaction contemplated hereby, have been duly and validly authorized by a unanimous vote of such Seller’s members, and no other actions on the part of each Seller or its members are necessary to authorize the execution and delivery of, or the performance of such Seller’s obligations under this Agreement or, except for Closing document signatures, to consummate the transaction contemplated hereby. This Agreement and the Ancillary Agreements constitute the legal, valid, and binding obligation of Seller enforceable in accordance with its terms, except as may be limited by bankruptcy, insolvency, or other laws affecting generally the enforcement of creditors’ rights or the application of principles of equity.

6.2 **Licenses and Authorizations.** Seller holds the Station FCC Authorizations, and all other FCC licenses, authorizations or approvals necessary for or used in connection with the operation of the Station. Seller has not realized income from ancillary/supplemental use of its digital capacity as defined by the FCC, and has not submitted and is not in arrears in remitting any portion of such income to the FCC for such ancillary/supplemental channel use. Except where omissions or delays are de minimis or immaterial, Seller has timely filed all reports or other materials with the FCC as required by the FCC's Rules. Seller has not received from the FCC any notice of inquiry, violation, apparent liability, or investigation related to the Station.

6.3 Real Property. Seller does not own any real property.

6.4 Tangible Personal Property. Seller holds good and marketable title to all the Tangible Personal Property, free and clear of all Liens other than Permitted Liens. The assets listed on Exhibit 1.2, together with all improvements, replacements and additions thereto from the date hereof to the Closing Date,

Exhibit 1.3 lists all contracts that involve the cash payment or potential cash payment, pursuant to the terms of any such contract, by or to Seller of more than \$1,000 per year that cannot be terminated within thirty (30) days after giving notice of termination without resulting in any material cost or penalty to Seller. All provisions of such contracts have been complied with in all material respects by Seller and no material default in respect to any duties or obligations required to be performed thereunder has occurred. All amounts due from Seller under any contract have been paid in the ordinary course of business, except where a good faith claim has been raised by Seller. To Seller's Knowledge, no other party thereto is in default or breach in any material respect under any such contract. There are not any agreements, contracts, understandings or commitments which restrict or inhibit the right of Seller to enter into this Agreement, to make the representations and warranties provided herein, or to

consummate any of the transactions contemplated hereby, except for the need to obtain the FCC Consent and any third-party consents required to assign any of the Assumed Contracts.

6.6 Litigation. Seller has operated the Station in compliance in all material respects with all laws, regulations, orders, or decrees. No judgment is presently pending against Seller with respect to the Station or the Assets and, except for proceedings of general applicability or specific applicability to the Market, or as identified in Exhibit 6.6 attached hereto, there is no Action by or before the FCC pending, or, to the Knowledge of Seller, threatened with respect to the Station or the Assets which might result in any Material Adverse Effect on the operation of the Station or would have a Material Adverse Effect on the right, title or interest of Seller in the Assets or the ownership, use or possession of the Station or the Assets by Buyer, or which may question the validity of any material action taken or to be taken pursuant to or in connection with any of the provisions of this Agreement.

6.7 Insurance. Seller maintains in force customary fire, casualty and liability insurance in respect to the Assets and the business and operations of the Station.

6.8 No Infringement. To Seller's Knowledge, the operation of the Station does not infringe, and Seller has not received written notice that such operation infringes, upon any copyright, patent, trademark, trade name, service mark, or other similar right of any other party.

6.9 Employees. Seller has, in the conduct of the affairs of the Station, complied in all respects with all applicable Laws, rules and regulations relating to the employment of labor, including those related to wages, hours, equal employment opportunity, collective bargaining, pension, welfare benefit plans, and the payment of social security and similar Taxes except where such non-compliance could not reasonably be expected to result in a Material Adverse Effect. No employee of the Station is represented by a union or other collective bargaining unit, no application for recognition as a collective bargaining unit has been filed with the Nation Labor Relations Board, and, to Seller's Knowledge, there has been no concerted effort to unionize any of the Station's employees. To Seller's Knowledge, there are no material controversies pending or threatened between Seller and any of the Station's employees, and Seller is not aware of any facts that could reasonably result in any such controversy. Seller has never maintained or contributed to any pension plan (including, but not limited to, any single or multi-employer pension plan within the meaning of ERISA) with respect to any of the Station's current or former employees.

6.10 No Breach. The execution, delivery, and performance of this Agreement by Seller will not

(a) constitute a violation of, or conflict with, Seller's certificate of formation or operating agreement of Seller, or

(b) result in a default (or give rise to any right of termination, cancellation, or acceleration) under, or conflict with, any of the terms, conditions, or provisions of any note, bond, mortgage, indenture, agreement, lease, or other instrument or obligation relating to Seller or its business, except for such defaults (or rights of termination, cancellation, or acceleration) or conflicts as to which requisite waivers or consents have been obtained,

(c) violate any statute, regulation or Governmental Order of any Governmental Authority which is applicable to Seller, or

(d) require the consent or approval of any Governmental Authority, lending institution, or other third party other than the need to obtain FCC Consent

except where such defaults under (b), such violations under (c) or failure to obtain such consents under (d) could not reasonably be expected to result in a Material Adverse Effect.

6.11 Taxes. Seller has, in respect of the Station's business, paid and discharged all Taxes and other levies relative to the Assets being sold, which have become payable.

6.12 FCC Compliance. Seller has not received any notice from the FCC asserting any noncompliance with any applicable statute, rule, or regulation in connection with the operation of the Station that has not been resolved, and to Seller's Knowledge, no investigation is pending or threatened regarding any such matter, and has no reason to believe that the FCC Application will be challenged or will not be granted by the FCC in the ordinary course due to any fact or circumstance relating to Seller or any of its Affiliates or any of their respective officers, directors, shareholders, members or partners.

6.13 MVPD Carriage. The Station is carried by the MVPDs on the channels shown at Exhibit 6.13. None of the MVPDs carrying the Station have refused carriage based upon the Station's 2018-2020 mandatory carriage elections.

6.14 Bankruptcy. No insolvency proceedings of any character, voluntary or involuntary, affecting Seller's or any of the Assets are pending or, to Seller's Knowledge threatened, and Seller has not made any assignment for the benefit of creditors or taken any action which would constitute the basis for the institution of such insolvency proceedings.

6.15 Environmental Matters. To Seller's Knowledge, no generation, use, transportation, treatment, storage, release or disposal of any Hazardous Materials in connection with the conduct of Seller's business in violation of any Environmental Laws has occurred which has created or might reasonably be expected to create any material liability under any applicable Environmental Law or which would require reporting to or notification to any Governmental Authority. To Seller's Knowledge, Seller and the Station are in compliance in all material respects with all Environmental Laws applicable to the Station's operations.

6.16 Brokers. Other than Patrick Communications, the broker for which Seller shall be solely responsible for paying a broker fee, no broker, finder or other person is entitled to a commission, brokerage fee or other similar payment from Seller in connection with this Agreement or the transactions contemplated hereby as a result of any agreement or action of Seller or any party acting on Seller's behalf.

7. Buyer's Representations and Warranties. Buyer hereby makes the following representations, warranties and covenants each of which shall be deemed to be a separate representation, warranty and covenant, all of which have been made for the purpose of inducing

Seller to join in and execute this Agreement, and in reliance on which Seller has entered into this Agreement:

7.1 Corporate Existence. Buyer is a non-profit corporation duly organized, existing, and in good standing under the laws of the State of Ohio. As of the Closing, Buyer shall be qualified to do business in California.

7.2 Corporate Authorization. The execution, delivery and consummation of this Agreement and the transactions contemplated herein has been duly authorized by the members of Buyer and no further authorization, approval or consent of Buyer's board of directors or shareholders is required. This Agreement and the Ancillary Agreements are legal, valid and binding agreements of Buyer enforceable in accordance with its terms, except as such enforceability may be limited by bankruptcy, moratorium, insolvency, reorganization or other similar laws affecting or limiting the enforcement of creditors' rights generally and except as such enforceability is subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

7.3 No Breach. The execution, delivery, and performance of this Agreement by Buyer will not

(a) conflict with or result in any breach of any provision of the articles of incorporation or bylaws of Buyer, or

(b) result in a default (or give rise to any right of termination, cancellation, or acceleration) under, or conflict with, any of the terms, conditions, or provisions of any note, bond, mortgage, indenture, agreement, lease, or other instrument or obligation relating to Buyer or its business, except for such defaults (or rights of termination, cancellation, or acceleration) or conflicts as to which requisite waivers or consents have been obtained and delivered to Seller,

(c) violate any statute, regulation, order, injunction, or decree of any federal, state, or local governmental authority or agency which is applicable to Buyer, or

(d) require the consent or approval of any governmental authority, lending institution, or other third party other than the need to obtain FCC consent.

7.4 FCC Qualifications. Buyer is legally, financially and otherwise qualified under the Communications Act and FCC Rules (as in effect on the date hereof) to acquire the FCC Licenses and own and operate the Station. Except as set forth on Exhibit 7.4,

(a) there are no facts known to Buyer that would disqualify Buyer as the assignee of the FCC Authorizations or as owner and operator of the Station,

(b) no waiver or exemption, whether temporary or permanent, of the Communications Act or FCC Rules is necessary for the FCC Consent to be obtained, and

(c) Buyer has no reason to believe that the FCC Application will be challenged or will not be granted by the FCC in the ordinary course due to any fact or circumstance relating to Buyer or any of its Affiliates or any of their respective officers, directors, shareholders, members or partners.

7.5 No Conflict. Neither the execution or delivery of this Agreement nor compliance with the terms of this Agreement will

(a) conflict with any order, judgment, injunction, award or decree of any governmental body, administrative agency or court, or any agreement, lease or commitment, to which Buyer is a party or by which Buyer is bound, or

(b) constitute a violation by Buyer of any law or regulation applicable to it, except for the need to obtain the FCC Consent.

7.6 Litigation. There is no claim, litigation, proceeding or governmental investigation pending or threatened, or any judgment, order, injunction or decree outstanding, against Buyer or affecting the business of Buyer, and Buyer does not know of any valid basis for future claims, litigations, proceedings or investigations against Buyer that might materially and adversely affect its ability to consummate the transactions contemplated by this Agreement.

7.7 Insolvency Proceedings. No insolvency proceedings of any kind including, without limitation, bankruptcy, receivership, reorganization, composition or arrangement of creditors, voluntary or involuntary, affecting the Buyer or any of its assets or properties are pending or, to Buyer's knowledge, threatened, and Buyer has made no assignment for the benefit of creditors, or taken any action with a view to, or which would constitute the basis for, the institution of any such insolvency proceedings.

7.8 Brokers. There is no broker or finder or other person who would have a valid claim from Buyer for a commission or a brokerage fee in connection with this Agreement or the transaction contemplated hereby.

7.9 Funds. Buyer has sufficient funds (or arrangement for sufficient funds) to pay the Purchase Price at Closing.

8. Indemnification.

The foregoing indemnity is intended by the Seller to cover all acts, suits, proceedings, claims, demands, assessments, adjustments, costs, and expenses with respect to any and all of the specific matters in this indemnity set forth which exceed in the aggregate \$25,000.

Notwithstanding the above, Seller's liability to Buyer for indemnification shall not include any indirect, consequential, punitive or exemplary damages to Buyer, specifically including any "lost profits" or business interruption damages incurred by Buyer.

The foregoing indemnity is intended by the Buyer to cover all acts, suits, proceedings, claims, demands, assessments, adjustments, costs, and expenses with respect to any and all of the specific matters in this indemnity set forth which exceed in the aggregate \$25,000.

Notwithstanding the above, Buyer's liability to Seller for indemnification shall not include any indirect, consequential, punitive or exemplary damages to Seller, specifically including any "lost profits" or business interruption damages incurred by Seller.

8.3 Procedure.

(a) If any claim or proceeding covered by the foregoing agreements to indemnify and hold harmless shall arise, the party who seeks indemnification shall give written notice thereof to the other party promptly describing in reasonable detail the nature and basis of the claim and the party from whom indemnification is sought shall have the right to employ counsel to defend against any such claim or proceeding or to compromise, settle or otherwise dispose of the same, if the indemnifying party deems it advisable to do so, all at the expense of the indemnifying party. The parties will fully cooperate in any such action, making available to each other books or records for the defense of any such claim or proceeding. If a party from whom indemnification is sought does not furnish a written acknowledgment of its undertaking to defend or settle such claim or proceeding in a timely manner, the party seeking indemnification shall be free to dispose of the matter, at the expense of the indemnifying party, in any reasonable way which it deems in its best interest (subject to the right of the indemnifying party to assume the defense of or opposition to such claim at any time prior to settlement, compromise or final determination thereof).

- (b) Anything herein to the contrary notwithstanding:

(i) the indemnified party shall have the right, at its own cost and expense, to participate in the defense, opposition, compromise or settlement of the claim;

(ii) the indemnifying party shall not, without the indemnified party's written consent, settle or compromise any claim or consent to entry of any judgment which does not include the giving by the claimant to the indemnified party of a release from all liability in respect of such claim; and

(iii) in the event that the indemnifying party undertakes defense of or opposition to any claim, the indemnified party, by counsel or other representative of its own choosing and at its sole cost and expense, shall have the right to consult with the indemnifying party and its counsel concerning such claim and the indemnifying party and the indemnified party and their respective counsel shall cooperate in good faith with respect to such claim.

9. No Survival of Representations and Warranties and Covenants. Except as set forth below, the several representations and warranties of the parties contained herein and the covenants of the parties contained herein shall not survive the Closing and from and after Closing shall be of no further force and effect. Notwithstanding the foregoing, the agreements in Sections 15-31 shall survive for six (6) months from the Closing Date and the Indemnification provisions of Section 8 shall survive for six (6) months from the Closing Date.

10. Covenants.

10.1 Buyer Covenants. Buyer covenants and agrees that from the date hereof until the completion of the Closing, Buyer shall use commercially reasonable efforts to fulfill and perform all conditions and obligations on its part to be fulfilled and performed under this Agreement, and to consummate the transaction contemplated hereby.

10.2 Seller Covenants. Pending the Closing of this Agreement, Seller will:

(a) Access. Upon reasonable notice, give Buyer and its representatives access during normal business hours to the Assets and furnish Buyer with all documents and information concerning the Assets as Buyer may reasonably request and provided that Buyer agrees to take no action which would interfere with the normal business or operation of the Station, and to comply with the requirements of any landlord applicable to the area being accessed.

(b) Compliance with Laws. Comply in all material respects with all applicable federal, state and local Laws, including, but not limited to, the Communications Act and the FCC Rules. Seller will not file any application with the FCC requesting authority to modify the Station's facilities without Buyer's prior written consent, and Seller shall take all commercially reasonable actions necessary to keep the FCC Authorizations, including all material permits and applications pending before the FCC, valid and in full force and effect. Seller shall promptly provide a copy to Buyer of any filing by Seller with the FCC or the receipt of any correspondence or notice from the FCC with respect to the Station.

(e) Operation of Station in Ordinary Course. Seller shall operate the Station in the ordinary course of business and in accordance with past practice, and shall pay and perform all of its obligations with respect to the Station in the ordinary course as such obligations become due (although certain obligations may be satisfied out of the Purchase Price, when received by Seller at the Closing).

(f) Insurance. Seller shall maintain its presently existing insurance in force until the Effective Time.

(g) Contracts. No employment contract shall be entered into by Seller or on behalf of the Station which would legally bind the Buyer following the Closing, unless the same is terminable at will. No other new contract, lease or agreement which has a term extending beyond the Closing Date shall be entered into by Seller or on behalf of the Station, without the prior written consent of Buyer.

10.3 Administrative Violations or Notices. Between the date hereof and the Closing Date, if Seller receives an administrative or other order relating to any violation of the FCC Rules, or of any other Governmental Authority, including rules regarding the employment of labor and equal employment opportunity, it will promptly notify Buyer of such order and use reasonable efforts to remove or correct such violations in the ordinary course of business and will be responsible for the cost of removing same, including the payment of any fines or back pay that may be assessed for any such violation.

10.4 Adverse Developments. Prior to the Closing Date, Seller shall promptly notify Buyer, in writing, of any materially adverse developments with respect to operation of the Station's post-auction repack facilities; status of its FCC Authorizations; or changes in carriage regarding any MVPD's.

10.6 Consummation of Agreement. Seller shall use commercially reasonable efforts to fulfill and perform all conditions and obligations on its part to be fulfilled and performed under this Agreement, and to consummate the transaction contemplated hereby.

11. Conditions Precedent to Buyer's Obligations to Close. The obligation of Buyer to consummate the Closing under this Agreement is subject to the satisfaction, or to Buyer's written waiver, on or before the Closing, of each of the following conditions:

11.1 Representations and Warranties True and Correct. The representations and warranties of Seller made in this Agreement shall be true and correct, disregarding all qualifiers and exceptions relating to materiality or Material Adverse Effect, as of the date of this Agreement and (except to the extent such representations and warranties speak as of an earlier date, in which case such representations and warranties shall have been true and correct, disregarding all qualifiers and exceptions relating to materiality or Material Adverse Effect, as of such earlier date) as of the Closing Date as though made on and as of the Closing Date, except, in both cases,

(a) for changes expressly contemplated or permitted by this Agreement,
or

(b) where any failure to be true and correct, individually or in the aggregate, has not had, and would not reasonably be expected to have, a Material Adverse Effect.

11.2 Performance of Agreements. All of the agreements of Seller to be performed on or prior to the Closing pursuant to the terms of this Agreement shall have been duly performed in all material respects.

11.3 FCC Consent. The FCC shall have granted the FCC Consent without any conditions materially adverse to Buyer.

11.4 No Injunction. There shall not be in effect an injunction or restraining order issued by a court of competent jurisdiction in any action or proceeding against the consummation of the sale of the Assets contemplated by this Agreement.

11.5 Closing Documents. Seller shall deliver to Buyer at the Closing all the closing documents specified in Section 14.1, which documents shall be duly executed.

11.6 Third-Party Consents. If necessary, Seller shall have obtained written consent to the assignment of the Channel Sharing Agreements and to those other Assumed Contracts listed on Exhibit 11.6, as required, and any releases of Liens or payoff letters as may be required to facilitate the Closing.

11.7 Carriage Elections. Seller shall have elected Must Carry consistent with the procedure set forth in FCC's Report and Order, *In the Matter of Electronic Delivery of MVPD Communications, Modernization of Media Regulation Initiative*, 34 FCC, Rcd 5922 (FCC 2019) for all MVPDs in the Station's Market with more than 5,000 subscribers.

11.8 Assignment of Channel Sharing Rights. Seller shall have assigned in full, with no assessed charge or fee, all of Seller's rights in and to that certain Second Amended and Restated Channel Agreement dated November 2018 and the related Joinder Agreement dated October 1, 2019, which collectively provide the Station's operating and licensed spectrum, and

to any rights and obligations therein or via other agreements establishing rights and obligations to the Station transmitter site or equipment of KCNS (the “*Channel Sharing Agreements*”)

12. Conditions Precedent to Seller’s Obligations to Close. The obligation of Seller to consummate the Closing under this Agreement is subject to the satisfaction, or to Seller’s written waiver, on or before the Closing, of each of the following conditions:

12.1 Payments. All payments which are due and payable by Buyer under this Agreement on or before the Closing Date shall have been paid in accordance with the terms of this Agreement.

12.2 Representations and Warranties True and Correct. The representations and warranties of Buyer contained in this Agreement shall be true and correct in all material respects on and as of the Closing Date, except for changes permitted or contemplated by the terms of this Agreement.

12.3 Performance of Agreements. All of the agreements of Buyer to be performed on or prior to the Closing pursuant to the terms of this Agreement shall have been duly performed in all material respects.

12.4 FCC Consent. The FCC Consent shall have been granted without any condition materially adverse to Seller.

12.5 No Injunction. There shall not be in effect an injunction or restraining order issued by a court of competent jurisdiction in any action or proceeding against the consummation of the sale of the Assets contemplated by this Agreement.

12.6 Closing Documents. Buyer shall deliver to Seller at the Closing all the closing documents specified in Section 14.2, which documents shall be duly executed.

13. FCC Approval and Application

13.1 Condition of FCC Consent. Consummation of the Closing is subject to and conditioned upon grant by the FCC of the FCC Consent.

13.2 Application for Consent. The parties to this Agreement agree to proceed as expeditiously as practicable to file or cause to be filed one or more applications requesting FCC Consent (the “*Assignment Application*”). The parties agree that the Assignment Application shall be duly filed with the FCC not later than five (5) Business Days after the date of this Agreement, and that such application shall be prosecuted in good faith and with due diligence. The failure of either party to timely file or diligently prosecute its portion of the Assignment Application shall be deemed a material breach of this Agreement. Seller and Buyer shall each pay one-half of the filing fee for the Assignment Application, with Buyer reimbursing Seller for Buyer’s one-half of the fee at the Closing. Each party shall be responsible for all of its other costs with respect to the preparation, filing, and prosecution of the Assignment Application, including attorneys’ fees. Buyer and Seller shall notify each other of all documents filed with or received from the FCC with respect to the Assignment Application. Buyer and

Seller shall furnish each other with such information and assistance as the other may reasonably request in connection with their preparation of the Assignment Application.

13.3 Absence of FCC Consent. In the event that the FCC fails or refuses to grant the FCC Consent within twelve (12) months of filing, then this Agreement may be terminated at the option of either party upon written notice to the other; provided, however, that neither party may terminate this Agreement if

(a) such party is in default hereunder,

(b) if a delay in any decision or determination by the FCC respecting the Assignment Application has been caused or materially contributed to by any failure of such party to furnish, file or make available information within its control or caused by the willful furnishing by such party of incorrect, inaccurate or incomplete information to the FCC, or caused by any action taken by such party for the purposes of delaying any decision or determination respecting the Assignment Application. Upon termination pursuant to this Paragraph, the parties shall be released and discharged of all obligations hereunder and the Escrow Deposit, together with accrued interest, shall be returned to the Buyer.

13.4 Designation for Hearing. The outside date for granting the FCC Consent provided in Section 13.3 notwithstanding, either party may terminate this Agreement upon written notice to the other, if, for any reason, the Assignment Application is designated for hearing by the FCC, provided, however, that such termination shall not negate the provisions of this Agreement permitting legal recourse by one party against the other related to the reason cited by the FCC for hearing designation.

13.5 Control of Station Pending Closing. This Agreement shall not be consummated until after the FCC has granted the FCC Consent, and between the date of this Agreement and the Closing Date, Buyer shall not directly or indirectly control, supervise or direct, or attempt to control, supervise or direct the operation of the Station. Such operation shall be the sole responsibility of Seller.

14. Closing Documents. On the Closing Date:

14.1 Seller Deliveries to Buyer:

(a) An assignment and assumption agreement in a form customary for transactions of this nature and reasonably acceptable to Buyer, transferring all of the interests of Seller in and to the FCC Authorizations, pending applications and all other licenses, permits, and authorizations issued by any other regulatory bodies which are used or held for use in the operation of the Station, and Intellectual Property;

(b) A bill of sale in a form customary for transactions of this type and reasonably acceptable to Buyer, conveying to Buyer all of the Tangible Personal Property;

The records and files referred to in Section 1.4 hereof, and the equipment referred to in Exhibit 1.2 hereto;

(g) A settlement statement setting forth the amounts due after adjustments and pro-rations, and wire instructions for disbursement of funds to Seller, along with any releases of Liens and/or payoff letters for any third-party security interests being released or Seller debts being satisfied in conjunction with the Closing;

14.2 Buyer Deliveries to Seller:

A certificate, dated as of the Closing date, of a duly authorized officer with respect to the accuracy of the matters set forth in Sections 12.1 and 12.2;

(b) A certificate, dated as of the Closing date, of a duly authorized officer of Buyer certifying that all necessary corporate or other action by Buyer has been taken to approve this Agreement and to authorize the consummation of the transactions described herein

(c) Joint written instructions to be provided to Escrow Agent for the release of the Escrow Deposit;

(e) Countersigned assignment and assumption documents for the assignment of the Station Contracts and MVPD Carriage Rights to Buyer;

(f) Countersigned assignment and assumption agreement for the assumption of the Assumed Liabilities by Buyer; and

(g) Such other documents reasonably necessary to effectuate the Closing.

15. Pro-rations.

15.1 Apportionment of Income and Expense. Seller shall be entitled to all income received, payable or arising from pre-Closing Station operations, and shall be responsible for all expenses arising out of, the operation of the Station through the close of business on the Closing Date. All prepaid and deferred income and expenses relating to the Assets and arising from the operation of the Station shall be prorated between Buyer and Seller in accordance with GAAP as of 12:00 midnight on the Closing Date (the “*Effective Time*”). Such prorations (the “*Prorations*”) shall include without limitation:

(a) Advance payments received from advertisers or programmers of the Station prior to or on the Closing Date for services to be rendered in whole or in part on or after the Closing Date;

(b) Prepaid expenses and deposits arising from payments made for goods or services prior to the Closing Date (including pursuant to the Channel Sharing Agreement) where all or part of the goods or services have not been received or used at the Closing Date (for example, rents or utilities paid in advance for a rental period extending beyond the Closing Date);

(c) Liabilities, customarily accrued, arising from expenses incurred but unpaid as of the Closing Date;

(d) Personal property Taxes and utility charges related to the Station or in respect of any of the Assets;

(e) Deposits and unearned prepayments received by Seller in connection with any Assumed Contract; and

(f) FCC annual filing fees.

15.2 Determination and Payment. Prorations shall be made and paid, insofar as feasible, on the Closing Date by way of adjustment to the Purchase Price. As to Prorations that cannot be made on the Closing Date, within thirty (30) days after the Closing Date, the parties shall determine and agree upon all such Prorations and promptly thereafter Buyer shall pay to Seller or Seller shall pay to Buyer, as the case may be, the net amount due. If Buyer and Seller are unable to agree upon the Prorations within thirty (30) days of Closing, then such determination shall be made by the Accounting Firm within sixty (60) days of Closing and thereafter Buyer shall pay to Seller or Seller shall pay to Buyer, as the case may be, the net amounts due.

16. Default and Remedies.

16.1 Material Breaches. A party shall be deemed to be in default under this Agreement only if such party has materially breached or failed to perform its obligations hereunder, and no non-material breaches or failures shall be grounds for declaring a party to be in default, postponing the Closing, or terminating this Agreement.

16.2 Opportunity to Cure. If either party believes the other to be in material default hereunder, the former party shall promptly provide the other with written notice specifying in reasonable detail the nature of such default. If the default has not been cured by the earlier of

(a) five (5) Business Days after the scheduled Closing Date, or

(b) within twenty (20) days after delivery of that notice (or such additional reasonable time as the circumstances may warrant provided the party in default undertakes diligent, good faith efforts to cure the default within such twenty (20) day period and continue such efforts thereafter), then the party giving such notice may exercise the remedies available to such party pursuant to this Section 16, subject to the right of the other party to contest such action through appropriate proceedings.

16.3 Seller's Remedies. Buyer recognizes that if the transaction contemplated by this Agreement is not consummated as a result of Buyer's breach of this Agreement, Seller would be entitled to compensation, the extent of which is extremely difficult and impractical to ascertain. To avoid this problem, the parties agree that if this Agreement is not consummated due to Buyer's breach, as its sole remedy Seller shall be entitled to the Escrow Deposit as liquidated damages in lieu of any other remedies to which Seller might otherwise be entitled due to Buyer's wrongful failure to consummate the Agreement.

16.4 Buyer's Remedies. Seller agrees that the Assets include unique property that cannot be readily obtained on the open market and that Buyer will be irreparably injured if this Agreement is not specifically enforced. Therefore, Buyer shall have the right, if Buyer is not in material default in its obligations hereunder, as its sole remedy to specifically to enforce Seller's performance under this Agreement, and Seller agrees to waive the defense in any suit for specific performance that Buyer has an adequate remedy at law and to interpose no opposition, legal or otherwise, as to the propriety of specific performance as a remedy. Buyer's reasonable costs of enforcing Seller's performance hereunder shall be offset by a reduction to the Purchase Price in the amount of such costs.

17. Damage. The risk of loss or damage to the Assets shall be upon Seller at all times prior to the Effective Time and Buyer shall bear the risk of loss or damage thereafter. In the event of such loss or damage, Seller shall promptly notify Buyer thereof and repair, replace or restore any such damaged property to its former condition as soon as possible after its loss and prior to the Closing Date. If damage has occurred and such relief or restoration of any such damage has not been completed prior to the Closing Date, Buyer may, at its option:

(a) elect to consummate the Closing in which event Seller shall pay to Buyer the costs of such repairs, replacements or restoration as is required to restore the property to its former condition and against such obligation shall assign to Buyer all of Seller's rights under

any applicable insurance policies. Buyer shall in such event submit to Seller an itemized list of the costs of such repairs, replacements or restoration. If the parties are unable to agree upon the costs of such repairs, the matter shall be referred to a qualified consulting communications engineer mutually acceptable to Seller and Buyer who is a member of the Association of Federal Communications Consulting Engineers, whose decision as to the costs shall be final, and whose fees and expenses shall be shared equally by Seller and Buyer; or

(b) elect to postpone the Closing Date for a period of up to ninety (90) days, with prior consent of the FCC if necessary, to permit Seller to make such repairs, replacements, or restoration as is required to restore the property to its former condition. If after the expiration of the extension period granted by Buyer the property has not been adequately repaired, replaced or restored, Buyer may terminate this Agreement, and the Escrow Deposit and all accrued interest shall be returned to Buyer. If the parties disagree as to whether the property has been adequately repaired, replaced or restored, the matter shall be referred to a mutually-acceptable qualified consulting communications engineer, who is a member of the Association of Federal Communications Consulting Engineers, whose decision shall be final, and whose fees and expenses shall be shared equally by Seller and Buyer.

18. Notices. Any notice required hereunder shall be in writing and any payment, notice or other communication shall be deemed given on the date of personal delivery or confirmed facsimile transmission, confirmed electronic mail transmission or confirmed delivery by a nationally recognized overnight courier service, or on the third day after mailing by U.S. certified mail, postage prepaid, with return receipt requested, and addressed as follows (or to any other address as any party may request by written notice):

This Agreement constitutes the entire agreement and understanding between the parties hereto with respect to the subject matter hereof, and supersedes any prior agreements between the parties and contains all of the terms agreed upon with respect to the subject matter hereof. No party makes any representation or warranty with respect to the transactions contemplated by this Agreement except as expressly set forth in this Agreement. This Agreement may not be altered or amended except by an instrument in writing signed by the party against whom enforcement of any such change is sought. 20. Counterparts. This Agreement may be signed in any number of counterparts with the same effect as if the signature on each such counterpart were on the same instrument.

21. Headings. The headings of the paragraphs of this Agreement are for convenience only and in no way modify, interpret or construe the meaning of specific provisions of the Agreement.

22. Exhibits. The Exhibits to this Agreement are a material part hereof.

23. Severability. In case any one or more of the provisions contained in this Agreement should be found to be invalid, illegal or unenforceable in any material respect by a court or governmental authority, the validity, legality, and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby.

24. Choice of Laws and Venue. This Agreement is to be construed and governed by the laws of the State of Delaware (exclusive of those relating to conflicts of laws).

25. Bulk Sales. Seller will indemnify and hold Buyer harmless against any cost or expense as a result of Seller's failure to comply with the provisions of any bulk sales or fraudulent conveyance statutes.

26. Benefit; Assignment. This Agreement shall inure to the benefit and be binding upon the parties hereto and their respective successors and assigns. Neither party may assign its rights and obligations hereunder without the other party's written consent. Nothing in this Agreement, expressed or implied, is intended or shall be construed to give any rights to any person or entity other than the parties hereto and their successors and permitted assigns.

27. **Fees and Expenses.** Except as specifically otherwise provided herein, Buyer and Seller shall each pay their own costs and expenses relating to the execution and delivery of this Agreement and the consummation of all transactions contemplated hereby.

28. **Public Announcements.** Prior to Closing, no party hereto shall make or shall authorize any other person to make any public announcement relating to any aspect of the transactions described herein without having first consulted with the other party concerning the requirement for, and timing and content of, such public announcement and having received their prior written consent thereto. Notwithstanding the foregoing, actions relative to obtaining approvals and like matters shall be permissible and Buyer may make all disclosures in its judgment necessary to obtain financing for purposes of carrying out the transactions described in this Agreement.

29. **Confidentiality.** Each party and its counsel, accountants, engineers and other representatives shall hold in confidence all data and information obtained regarding the other party and the Station's business and properties, except for public record information, and if the transactions provided for in this Agreement are not consummated as contemplated, shall continue to hold such non-public information in confidence and return all information and documents without retaining any copies thereof, and further Buyer (and its representatives) shall not directly or indirectly disclose to anyone or use in competition with the Station any data and information obtained in connection with this proposed purchase, or induce or attempt to persuade any of Seller's employees not to be employed by, or to terminate their employment with Seller at any time.

30. **Assurances.** After Closing, each party shall from time to time, at the request of and without further cost or expense to the other, execute and deliver such other instruments of conveyance and assumption and take such other actions as may reasonably be requested in order to more effectively consummate the transactions contemplated hereby.

31. **Tax Matters**

31.1 Transfer Taxes. All Transfer Taxes, if any, arising out of or in connection with the transactions effected pursuant to this Agreement shall be shared equally by Seller and Buyer. The party which has the primary responsibility under applicable Law for the payment of any particular Transfer Tax, shall prepare the relevant Tax Return and notify the other party in writing of the Transfer Taxes shown on such Tax Return. Such other party shall pay the party that paid the Transfer Tax an amount equal to fifty percent (50%) of such Transfer Taxes by check or wire transfer of immediately available funds no later than the date that is the later of

- (a) five (5) Business Days after the date of such notice or

31.2 FIRPTA Certificate. Seller shall deliver to Buyer on the Closing Date, duly completed and executed certificates of non-foreign status pursuant to section 1.1445-2(b)(2) of the Treasury regulations sufficient to exempt Buyer from the requirements of Code Section 1445(a). Subject to Section 15, Buyer shall be liable for and payment of and shall prepare and properly file on a timely basis true, complete and accurate Tax Returns and other documentation for any and all Taxes incurred with respect to the Assets and the operation of the Station for any Post-Closing Tax Period.

31.5 Purchase Price Allocation. The parties will agree to an allocation of the applicable portions of the Purchase Price paid to Seller among the Assets in accordance with Section 1060 of the Code and the Treasury Regulations promulgated thereunder (and any similar provisions of state or local Law, as appropriate) and shall use such allocation in the filing of any and all Tax Returns and other relevant documents with any other Governmental Authority. Within forty-five (45) days of the Closing Date, Buyer will prepare a draft schedule documenting such allocation and provide such draft schedule to Seller. Seller shall provide Buyer with any comments on such schedule within ten (10) Business Days after the date thereof, and Buyer and Seller agree to negotiate in good faith regarding the allocation of the Purchase Price (unless Seller does not provide any comments within the time period set forth herein, in which case Buyer's proposed allocation shall be deemed final). If the parties are unable to reach agreement with respect to such allocation then the parties shall have no further obligation under this Section 9.06 and each party shall make its own determination of such allocation for financial and Tax reporting purposes.
