TECHNICAL STATEMENT CONCERNING TRANSLATOR CONSTRUCTION PERMITS

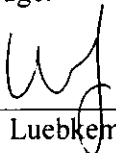

BPFT-20160502ACT, 97.7 MHz, MARMORA, NJ
BPFT-20170403ACR, 93.9 MHz, ATLANTIC CITY, NJ

Prepared by William C. Luebkekmann, Jr. on behalf of
Hope Christian Church of Marlton, Inc.
Mercer County Community College

I, William C. Luebkekmann, Jr., do hereby state:

- 1) I am the President and Chief Engineer of Hope Christian Church of Marlton, Inc.
- 2) I hold a BSEE degree from Drexel University (1980), an FCC General Radiotelephone License and an Amateur Radio Extra Class license. I have been involved in broadcast engineering since 1976. My qualifications as a broadcast engineer are a matter of record at the Federal Communications Commission.
- 3) In accordance with Special Operating Condition 3 on the above referenced Construction Permits, an analysis was made using a Tektronix 2710 Spectrum Analyzer. All three stations at the site (the above referenced Construction Permits as well as licensed translator BLFT-20170123FLB) were operating at authorized power through a combiner.
- 4) There were no spurious emissions or mixing products from the combined operation and measurements through the 10th harmonic show that all are in compliance with 47 CFR 73.317, parts b, c and d.

I declare, under penalty of perjury, that this information is true and correct to the best of my knowledge.

William C. Luebkekmann, Jr.
