RE: Section 73.3517(a) Authorization to file WSJQ(FM) Modification Application

St. Joseph's Radio Station, Inc. ("SJRS"), the permittee of WSJQ(FM), Pascoag, RI (FIN 176661) ("WSJQ"), has entered into that certain Asset Purchase Agreement dated May 25, 2017 by and between SJRS and Epic Light Network, Inc. ("Epic Light"), pursuant to which Epic Light shall, at Closing, acquire substantially all of the assets associated with WSJQ. An application to assign the construction permit for WSJQ from SJRS to Epic Light has been granted by Commission staff (File No. BAPED-20170601AFA) but the transaction has not yet been consummated.

Pursuant to Section 73.3517(a) of the FCC's rules, 47 C.F.R. § 73.3517(a), SJRS hereby authorizes Epic Light to file, at Epic Light's sole cost and discretion, an application with the FCC to modify the facilities authorized in the WSJQ construction permit.

Sincerely,

Edward Ramsey  
President
