

**EXHIBIT 15**  
**PENDING RENEWAL APPLICATION**

The instant application requests Commission consent to the transfer of control of NRG Media, LLC, from Waitt Media Holdings, LLC to NRG Radio, LLC. Station WHTQ(FM), Whiting, WI (Facility ID No. 60004), which is licensed to NRG License Sub, LLC, is the subject of a pending application for renewal of license (*see* FCC File No. BRH- 20120730AAV). This statement is submitted in furtherance of the Commission's policy permitting processing of a multi-station transfer of control application that involves a subset of stations with pending renewal applications where (1) no basic qualifications issues have been raised or, if raised, were resolved favorably, and (2) the transferee explicitly assents to standing in the stead of the transferor in any renewal proceeding that is pending at the time of consummation of the transfer of control.<sup>1</sup> The transferee hereby agrees to succeed to the position of the transferor with respect to the above-referenced pending renewal application, consistent with the procedures set forth in *Shareholders of CBS Corporation*.

<sup>1</sup> *See, e.g., Shareholders of CBS Corporation*, 16 FCC Rcd 16072, 16072-73, para. 3 (2001) ("The Commission repeatedly has held that, in multi-station transactions, it will grant the transfer of control application while the renewal application is pending as long as there are no basic qualification issues pending against the transferor or transferee that could not be resolved in the context of the transfer proceeding, and the transferee explicitly assents to standing in the stead of the transferor in the pending renewal proceeding.").
