### **Television Station KGPE NTSC Channel 47, DTV Channel 34 Fresno, California**

#### **Environmental Considerations**

An Environmental Assessment is not required, as grant of this application would not be considered a major environmental action. None of the conditions specified in Section 1.13 of the FCC Rules, Concerning actions that may have a significant effect on the environment, believed to apply.

The proposed transmitting facilities will comply with the FCC guidelines limiting human exposure to radio frequency energy. Because of access limits to the general public, the existing and proposed transmitting facilities meet the requirements of Section 4 of OET Bulletin 6 (August 1997). After completion of the proposed facilities, the licensee will also verify compliance with OET Bulletin No. 65, (August 1997), through measurements by personnel qualified to do so.
