

Elizabeth Marquis, chief broadcast engineer for Ol' Timey Broadcasting is submitting this statement regarding Translator K291CK (formerly K277AZ).

K291CK was constructed and put on the air on March 9, 2018. It has been on the air continuously since that date. In compliance with Special Operating Condition Number 3 of Construction Permit BMPFT-20180108AAN, the translator resumed broadcasting prior to July 13, 2018.

The Form 350 license application was not filed after construction was complete due to an oversight.

All statements contained herein are thought to be true and correct to the knowledge of the undersigned under the penalty of perjury.

A handwritten signature in blue ink, appearing to read 'Elizabeth Marquis', is written over the printed name and title.
