

Antenna Installation Affidavit

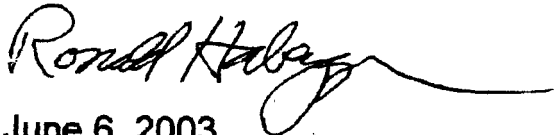

I, Ronald Habegger, affirm under penalty of perjury the following:

I am currently, and have been for the past 14 years, the fulltime Chief Engineer for WAWZ FM. I have been employed by two other FM radio stations as Chief Engineer over a period of 11 years.

I was present during the entire assembly of our ERI directional antenna and testify that it was constructed and installed on the tower as per detailed instructions of the manufacturer.

The above statements are true and correct to the best of my knowledge and ability.

Ronald Habegger
