FM Translator Overlap

The proposed minor change of K220BV will have 60 dBu contour overlap in excess of 50% with co-owned FM translator K205BN, Los Gatos, CA. Both facilities will be fill-in translators for KJLV (FM), Los Altos, CA, however, both will operate with separate feeds; K220BV via KJLV-HD4 and K205BN via KJLV-HD3.
