**Surveyor's Certification**

To whom it may concern:

On August 4, 2011, Lake Roeder Hillard & Associates performed a field survey at 253 Mount Olivet Road, Elk Township, Chester County, Pennsylvania for Four Rivers Community Broadcasting, station WZXE, East Nottingham, PA. The survey was performed to align the WZXE FM antenna, being Propagation Systems, Inc. Model PSIFLV-1B-DA.

This letter certifies that the orientation of the antenna is 260 degrees from True North.
