**TERMS AND CONDITIONS**

The disclosure Schedules attached hereto are subject to the following terms and conditions:

1. The inclusion of any fact, item, matter, circumstance, transaction or event on a Schedule herein, is not deemed to be an admission or representation that the fact, item, matter, circumstance, transaction or event is or is not "material" or has a value above or below any dollar thresholds set forth in the Plan and Agreement of Merger.
2. The inclusion of any fact or item on a Schedule referenced by a particular section in the Plan and Agreement of Merger shall, should the existence of the fact or item or its contents be relevant to any other section, be deemed to be disclosed with respect to such other section whether or not an explicit cross-reference appears in the Schedules if such relevance is readily apparent from examination of such Schedules.
3. All capitalized terms used herein and not otherwise defined shall have the meaning given such terms in the Plan and Agreement of Merger.

### ATTACHMENT

1. In its Memorandum Opinion and Order and Notice of Apparent Liability, FCC 01-336, released December 10, 2001, granting, *inter alia*, the application for transfer of control of Sullivan III to Borrower as controlled by Smith, the FCC included the following order:

IT IS FURTHER ORDERED, That, pursuant to Section 503(b) of the Communications Act of 1934, as amended, and Sections 0.283 and 1.80 of the Commission's Rules, Sinclair Broadcasting [sic] Group, Inc., and Glencairn, Ltd. are each hereby NOTIFIED of its [sic] APPARENT LIABILITY FOR A FORFEITURE in the amount of forty thousand dollars (\$40,000) apiece for violation of Section 310(d) of the Communications Act of 1934 and Section 73.3540 of the Commission's Rules.

The Commission required each of the parties to pay the full amount of the forfeiture proposed against it or to file a written statement seeking reduction or cancellation of the proposed forfeiture within 30 days of the release date of the notice. We have been informed by Borrower that it has paid the \$40,000 forfeiture.

2. We have been advised by an FCC staff member that in 1995, prior to Borrower's acquisition of the station, regulatory fees for WBSC-TV (then, WFBC-TV) were not paid.

3. On March 6, 2000, McCain 2000 filed an emergency request for declaratory ruling concerning a political advertisement placed on WTTE(TV) by an organization calling itself Republicans for Clean Air. McCain 2000 alleged that identifying Republicans for Clean Air as the sponsor of the advertisement violated Section 317(a) of the Communications Act, 47 U.S.C. § 317(a), which generally requires a broadcast station to identify the sponsor of any matter that it broadcasts for consideration, and Section 73.1212(e) of the FCC's rules, 47 C.F.R. § 73.1212(e), which requires that such sponsorship identification "in addition to stating the fact that the broadcast matter was sponsored, paid for or furnished, fully and fairly disclose the true identity of the person or persons, or corporation, committee, association or other unincorporated group, or other entity by whom or on whose behalf such payment is made or promised, or from whom or on whose behalf such services or other valuable consideration is received, or by whom the material or services . . . are furnished." Prior counsel for Columbus (WTTE-TV) Licensee, Inc. filed a letter in response to a telephone inquiry from a member of the FCC's staff regarding the advertisement. A copy of that response as well as the emergency request and other documents filed by McCain 2000 with the FCC and letters that McCain 2000 sent to WTTE(TV) and other stations that broadcast the political advertisement are attached.

4. We have been advised by an FCC staff member that an indecency complaint was filed against WVAH-TV on February 25, 2002.

5. On January 9, 2002, Rainbow/Push Coalition sought judicial review of the FCC Consent (Memorandum Opinion and Order and Notice of Apparent Liability, FCC 01-336, released December 10, 2001) with the United States Court of Appeals for the D.C. Circuit in Rainbow/PUSH Coalition v. FCC, Case No. 02-1020.
