

Changes in Interests as Result of Assignment

The instant application seeks the Commission's consent to the assignment of license of station KTFK-TV, Stockton, California from Telefutura Television Group Inc. ("TTGI") to Telefutura Sacramento LLC, a licensee subsidiary wholly owned by TTGI. This follows the Commission's grant of assignment of KTFK-TV's license from Family Stations, Inc. to TTGI on December 1, 2003 and the consummation of that transaction on January 15, 2004. The instant assignment is for administrative, accounting, and financial reasons. As there will be no change in beneficial ownership and control of the station, the transaction is pro forma in nature.

Charts reflecting the "Before" and "After" structures of the companies are attached for the Commission's convenience. No asset purchase or similar agreement is executed in connection with this reorganization.
