If Owner shall preempt Operator's Programming with Owner's Programming, then Owner shall promptly pay to Operator any and all revenues realized thereby. However, if Owner shall have preempted Operator's Programming because the material content of Operator's Programming is, in the reasonable opinion of Owner, in violation of FCC stated rules and policies or in violation of Owner's programming policies as described in Section 3(g) hereof, then Owner is not obligated to pay to Operator any revenues realized thereby, but Owner shall be responsible for Owner's Programming Expenses attributable thereto. Nothing herein shall be construed to impair, impede or preclude Owner's access to the Stations' respective Facilities and Tangible Personal Property at any time for any reason.

(b) Owner will have ultimate responsibility to comply with all FCC rules and policies and will file all FCC reports and applications. Operator agrees to timely provide Owner properly prepared information, records, and reports relating to Operator's Programming as are required by Owner to comply with the rules and regulations of the FCC and for any other proper purpose. To this end, Operator will provide Owner with information as to the lowest unit rate for all classes and categories of time in Operator's Programming that Operator offers for sale to commercial advertisers, and, at the request of Owner, shall provide copies of advertising contracts and other documents used by Operator to determine the lowest unit rate applicable to any class or category of time. Owner agrees to notify Operator of any investigations by or proceedings before any Governmental Body or if any of such investigations or proceedings relate to the business of the Stations.

(i) Operator agrees that Operator's Programming will comply with all Applicable Law.

(j) Operator shall be responsible to pay for all of Operator's Programming Expenses. Operator shall be responsible to pay the Monthly Fee to Owner.

(k) Pursuant to Section 73.3555(a)(3)(ii) of the FCC's rules, Owner certifies that it maintains ultimate control over the Stations' respective Facilities, including specifically control over finances, personnel and programming. Operator certifies this Agreement complies with the provision of Section 73.3555(a) of the FCC's rules.

Section 4. Payments. In consideration of Operator's utilization of the Stations, the Studio Site, the Tower Sites and the Tangible Personal Property and Owner's other covenants and agreements made hereunder, Operator shall pay to Owner the Monthly Fee for the LMA Period. The Base Fee portion of the Monthly Fee shall be due and payable in advance on the first day of the month. If Closing under the APA shall occur on the 1st day of the month, then the Operator shall not pay the Monthly Fee. If Closing under the APA shall occur on any day other than the 1st day of the month, then Operator shall pay the Base Fee for the month in which Closing shall occur and upon the Closing, the Owner shall reimburse to the Operator that portion of the Base Fee allocable to the number of days remaining in the month of Closing from and after the date on which Closing occurs. The Reimbursable Operating Expenses portion of the Monthly Fee shall be payable within ten (10) days following Owner's submission to Operator of an itemized invoice for the Reimbursable Operating Expenses from time to time, provided, that Owner shall not submit requests for Reimbursable Operating Expenses more frequently than once per calendar month. The Monthly Fee shall be reduced pro rata on a daily basis for any period of any calendar month in which the Facilities of any of the Stations shall not be available to Operator to enable Operator to broadcast Operator's Programming for any reason not the fault of Operator; provided that for these purposes, the Monthly Fee shall be reduced only if either (a) the affected Station shall fail to broadcast with at least 90% of its authorized power for a period of at least 24 hours in any one occurrence or (b) the affected Station shall fail to broadcast with at least 90% of its authorized power for periods aggregating at least 48 hours in any given thirty (30) day period. For purposes of making any adjustments to the Monthly Fee required by this Agreement, the Monthly Fee shall be allocated among the Stations in the following amounts: KCIL-FM, 31.2%; KBZZ-FM, 31.2%; KXOR-FM, 31.2% and KJIN-AM, 6.4%.

Section 5. Collection of Accounts Receivable.

(1) For the period commencing on the Commencement Date and ending on the last day of the end of the LMA Period (such period is referred to as the "Collection Period"), Operator will have the right and obligation to collect for the account of Owner the Accounts Receivable. Within three (3) business days following the Commencement Date, Owner will furnish Operator with a complete Accounts Receivable list current as of the Commencement Date, detailing customer name, amount owed, aging and invoice numbers.

(2) All receipts on the collection of an Account Receivable from a particular account debtor shall be applied first to the oldest outstanding invoice, unless the payment is made with reference to a specific invoice, in which case the payment shall be allocated to the specific invoice. Any monies or payments received by Operator which are in payment for commercial air time or for other services or business provided by Operator on or after the Commencement

Date shall belong to Operator and Operator shall not be obligated to remit any of such sums to Owner. Operator will not, without the written consent of Owner, compromise or settle for less than full value any of the Accounts Receivable.

(3) If any account debtor shall dispute its obligation to Owner, if any account debtor shall pay any invoice of Operator's before having paid in full all outstanding invoices due to Owner or if any Account Receivable shall be deemed uncollectible by Operator, then Operator shall notify Owner of same and the rights to collect such disputed, unpaid or deemed uncollectible account will thereupon revert to Owner and Operator will thereafter have no further responsibility with respect to the collection thereof.

(4) On the tenth (10th) day of each month immediately following each calendar month end during the Collection Period, Operator will provide Owner with a list of all Accounts Receivable collected during the preceding calendar month and Operator will remit to Owner all sums collected by Operator in connection with the Accounts Receivable (and not theretofore remitted to Owner) during such preceding month, without offset or deduction, except as expressly permitted under the terms of the APA.

(5) The obligation of Operator hereunder will be to use reasonable efforts to collect the Accounts Receivable in the ordinary course of business and does not extend to the institution of litigation, employment of counsel or other collection agency, or any other extraordinary means of collection, including the sending of demand letters. If requested by Operator, Owner will provide Operator with a power of attorney which will be sufficient for the purposes of evidencing to the various account debtors the exclusive authority of Operator to collect the Accounts Receivable.

(6) At the conclusion of the Collection Period, the collection rights to all of the remaining uncollected Accounts Receivable shall automatically revert to Owner, and Operator will thereafter have no further responsibility with respect to the collection of the Accounts Receivable.

Section 6. Provisions Regarding Contracts.

(a) Owner hereby assigns and delegates to Operator, and Operator hereby accepts and assumes, all Cash Contracts in effect on the Commencement Date. The Cash Contracts have been identified on a separate listing provided by Owner to Operator. If on or prior to the time of the Commencement Date, Owner shall have collected a pre-payment under a Cash Contract for which the broadcast time will not be aired or the services will not be rendered, as the case may be, until after the Closing, then Owner agrees that it will pay to Buyer a cash payment equal to the amount of all such pre-payments. If this Agreement is terminated for any reason, other than the consummation of the transactions described in the APA, then upon such termination, Operator will assign and delegate to Owner all Cash Contracts then in effect for the Stations.

(b) Owner hereby assigns and delegates to Operator, and Operator hereby accepts and assumes, all Barter Contracts, Barter Payables and Barter Receivables in effect on the Commencement Date. The Barter Contracts, Barter Payables and Barter Receivables have been identified on a separate listing provided by Owner to Operator. If the Barter Payables exceed \$50,000, then Owner agrees that it will pay to Buyer a cash payment equal to the excess of the Barter Payables over \$50,000, such payment being due upon the first to occur of (i) that date upon which all Barter Payables have been satisfied or (ii) the Closing of the transactions described in the APA. If this Agreement is terminated for any reason, other than the consummation of the transactions described in the APA, then upon such termination, Operator will assign and delegate to Owner all Barter Contracts, Barter Payables and Barter Receivables then in effect for the Stations.

(c) The Owner agrees to hold all of the Operating Contracts for the benefit of the Operator during the LMA Period and the Operator agrees to timely perform those obligations of the Owner arising under the Operating Contracts that are attributable to the presentation of Operator's Programming on the Stations during the LMA Period and that are within the control of the Operator to perform.

(d) Operator agrees that it has no authority to amend, modify, terminate, or extend any of the Operating Contracts; all such authority shall reside in the Owner. If Operator desires that any of the Operating Contracts be amended, modified, terminated, or extended, then the Operator will request the Owner to consider such action. Operator agrees that it will not enter into any Contract with respect to the Station in which the party being obligated is either the Owner or the Station.

Section 7. Provisions Regarding Equipment, Facilities and Insurance. The following provisions shall apply with respect to the equipment and Facilities:

(a) Owner will be responsible (i) to provide non-routine repairs to the Stations' program origination and transmission equipment in order to keep such equipment in good operating condition in order to transmit radio broadcast signals in accordance with the terms and specifications of the FCC Licenses and (ii) to ensure that the Stations' transmitting facilities shall comply at all times with the relevant rules, regulations and policies of the FCC, other applicable governmental authorities and with this Agreement. Owner shall also be responsible for maintaining all authorizations required for the operation of the Stations in full force and effect during the term of this Agreement, unimpaired by any acts or omissions of Owner.

(b) In the event that any FCC authorizations shall be required in order to enable Operator to originate and relay (e.g. STL's) programs to the Stations' respective transmitting facilities for broadcast, both parties shall cooperate in obtaining such authorizations, the expenses to be borne by Operator.

(c) In connection with Operator's Programming, Owner will make the Tangible Personal Property available for the use by Operator. Operator warrants that it will not dispose of any of the Tangible Personal Property without Owner's written permission except for those assets (e.g. inventory and supplies) which are consumable by nature and except as otherwise provided herein. Operator agrees to operate all Tangible Personal Property in a normal and reasonable manner and to make such emergency repairs as are necessary to avoid further damage to any item of Tangible Personal Property from continued use. Operator agrees to notify the Owner of any suspected defects with any item of Tangible Personal Property. Operator agrees to provide routine repair and maintenance on all Tangible Personal Property. Operator shall repair or replace any item of Tangible Personal Property that is damaged or destroyed by Operator's use or continued use after a defect has occurred or has been suspected by Operator.

(d) Owner shall be responsible to procure and maintain, at its own expense, insurance coverage on the Tangible Personal Property, including all vehicles, in an amount necessary to insure the replacement cost thereof. Operator shall be responsible to procure and maintain, at its own expense, general liability insurance coverage on the Stations' respective Facilities and vehicle operation by Operator's employees and Broadcaster's liability insurance (errors and omissions) with coverage limits in each case of at least \$1,000,000. To the extent permitted by law or the insurance policy, Owner shall be named as an additional insured on each of Operator's insurance policies. Owner and Operator agree to coordinate their respective insurance coverages to insure that all Tangible Personal Property and the operations of the Stations are adequately covered.

Section 8. Force Majeure. Owner will not be liable to Operator for any failure or impairment of any of the Stations' respective Facilities or any delay or interruption in broadcasting or failure at any time to furnish any Facilities, in whole or in part, for broadcasting Operator's Programming, due to acts of nature, earthquake, tornado, explosion, lightening, icing, riots, accidents not caused by Owner or Owner's employees or agents or other force majeure.

Section 9. Profits and Losses; Licenses. Operator shall own and retain all revenues received from the airing of Operator's Programming and Operator shall be solely responsible for all Operator's expenses. Operator shall be responsible for obtaining and maintaining all necessary licenses, authorizations and consents for the performance of copyrighted works to the extent that such works are included in Operator's Programming.

Section 10. Right to Use Programs. The right to use Operator's Programming and the right to authorize such use in any manner or in any media whatsoever, shall be and shall remain vested in Operator. Unless Owner has obtained Operator's prior written authorization, Owner will not authorize or permit (or cause or permit others within its control to authorize or permit) any of Operator's Programming to be recorded, duplicated, rebroadcast, or otherwise transmitted or used for any purpose other than broadcasting by the Stations at the times specified by

Operator and in the community and service areas to which Stations are licensed by the FCC. Subject to Owner's rights to reject or preempt Operator's Programming pursuant to Section 3(a) of this Agreement, Owner shall broadcast all of Operator's Programming (including all commercial advertising material) without modification, addition or deletion, at the hours and on the days specified in Operator's Programming schedule.

Section 11. Operator's Agreements. Effective as of the Commencement Date, Operator will make bona fide offers of employment to all Station employees (except for those employees described in Section 3(d) hereof) to serve in substantially the same capacity and at substantially the same rate of compensation as with the Stations prior to the Commencement Date. Except (i) in cases of employee fraud or dishonesty or (ii) without Owner's prior written consent, the Operator agrees that during the LMA Period it will not terminate any such employee who accepts Operator's offer of employment.

Section 12. Non-Default Early Termination of LMA Period. The LMA Period may be terminated upon written notice by the hereinafter designated party hereto as provided by this Section without any further obligation under this Agreement to the other party in the following circumstances:

12.1 **Broadcast Interruption.** By Operator upon ten (10) days notice to Owner if the operations of any one or more of the Key Stations are interrupted by any Governmental Entity and commercial broadcasting cannot be normally resumed within ten (10) days of the interruption of operations.

12.2. **Modification of Facilities.** By Operator upon thirty (30) days notice to Owner if any action of the FCC results in any changes to any one or more of the Key Stations broadcast facilities, including but not limited to, authority, power, frequency, or hours of operation, so that the broadcasting of Operator's Programming by the affected Stations is of material less value to Operator. Changes in transmitter site, however, which do not result in substantial or impermissible changes in coverage area or power transmission will not entitle Operator to terminate the LMA Period.

12.3. **FCC Etc..** By Owner or Operator upon thirty (30) days notice to the other (or such shorter period of notice as may be necessary in the opinion of either party's FCC legal counsel to comply with FCC requirements) if this Agreement or the transactions contemplated hereby or the involvement of Owner or Operator herein is determined by any final action of the FCC to be in violation of the Act or any applicable law or any rule, policy or order of the FCC. Notwithstanding the foregoing, if such violation can be avoided or remedied by an amendment to this Agreement which does not materially increase the liability imposed on any party under this Agreement nor materially decrease the economic benefit accruing to any party under this Agreement, then Owner and Operator

agree to enter into and execute such amendment, rather than terminate the LMA Period as provided in this Section 12.3.

12.4. **Preemption.** By Operator upon ten (10) days written notice from Operator to Owner if Owner exercises its right to preempt Operator's Programming under Section 3(a) for a period of time either exceeding one-tenth of one percent (.1%) of total broadcast time during any calendar month or exceeding one-hundredth of one percent (.01%) of the total billable commercial air time during any calendar month.

12.5. **Facilities.** By Operator upon ten (10) days notice from Operator to Owner if any contract, lease, agreement or other arrangement necessary to the continuation of any of the Stations' respective transmitting facilities shall expire and shall not be renewed or replaced by Owner within 5 days of such expiration.

12.6. **Failure of Facilities.** By Operator upon ten (10) days written notice from Operator to Owners if any of the Stations' respective Facilities shall not be available to Operator to enable Operator to broadcast Operator's Programming for ten (10) consecutive days for any reason including, but not limited to, the failure of the generators, transmitting equipment, towers, antennas, translators and other transmitting equipment which Operator is not obligated to repair or replace.

Section 13. Default Early Termination of LMA Period. If an Event of Default (hereinafter defined) shall occur, then the party not in default shall be under no further obligation to perform hereunder. If an Event of Default by Operator shall occur, then upon written notice to Operator (i) Owner shall be under no obligation to make available to Operator any further broadcast time or broadcast program distribution facilities, (ii) Operator's rights to provide Operator's Programming on the Stations shall be terminated, (iii) all amounts accrued or payable to Owner up to the date of termination which have not been paid shall immediately become due and payable and (iv) Owner may pursue any rights and remedies available to it under applicable law. If an Event of Default by Owner shall occur, then upon written notice to Owner (a) Operator may continue the LMA Period and pursue any rights and remedies available to it under applicable law and/or require Owner to specifically perform this Agreement or (b) Operator may terminate the LMA Period and pursue any rights and remedies available to it under applicable law. Any of the following shall constitute an Event of Default (herein so called) under this Agreement.

13.1. **Non Payment.** Operator's failure to timely pay the Monthly Fee. For the purposes of this Agreement, Operator shall be considered timely in its payments only so long as such payments are made within five (5) business days of due date thereof.

13.2. ***Default in Covenants.*** The material default by either party in the observance or performance of any covenant, obligation, agreement, term or provision contained herein (other than for the non-payment of the Monthly Fee); provided that the default shall not constitute an Event of Default hereunder unless and until the non-defaulting party shall have given the defaulting party written notice of such default specifying the nature of such default and a reasonable opportunity to cure, not to exceed 15 days, and the defaulting party shall fail to cure the default within the 15 day period.

Section 14. Other Terminations. If either (i) Owner shall give written notice of termination of the APA pursuant to any right granted in the APA or (ii) Operator shall give written notice of termination of the APA pursuant to any right granted in the APA, then in either such event, and regardless of whether it is later determined that such termination was invalid, the LMA Period shall nevertheless terminate on the next following last day of the month which is at least fifteen (15) days after the date of notice of termination of the APA.

Section 15. Effect of Termination. In the event of a termination of the LMA Period without a Closing having occurred, Operator may, upon ten (10) days advance written notice to Owner, recover any equipment owned by it, and the parties shall have no further obligation to otherwise pay any further compensation or other amounts under this Agreement or otherwise provide further services; provided all amounts owing to either party as of termination of the LMA Period shall be paid by the party owing same within five (5) days of written demand therefor by the party to whom such payment is owed. Upon termination of the LMA Period for any reason other than Closing of the transactions contemplated by the APA, Operator shall terminate the employment of all Station employees and shall use commercially reasonable efforts to effect a smooth and uninterrupted transition of the operations of the Stations back to Owner. In such event, Operator shall refrain, and shall cause its Affiliates to refrain, from solicitation of such employees to accept employment with Operator at any of Operator's other radio stations or those of any Affiliate of Operator.

Section 16. Further Assurances. Each party agrees to execute and deliver additional documents and take such other actions that another party may reasonably request for purposes of carrying out the transactions contemplated by this Agreement.

Section 17. No Partnership or Joint Venture. The relationship established by this Agreement is not intended to be, and shall not be, construed as a partnership or joint venture between the parties. Except to the limited extent which is specifically provided herein with respect to Operator's collection of the Owner's Accounts Receivable, no party to this Agreement shall be authorized to act as agent of or otherwise represent any other party to this Agreement.

Section 18. Indemnification. Operator shall indemnify, defend, and hold harmless Owner from and against any and all claims, losses, costs, liabilities, damages, FCC forfeitures, and expenses (including reasonable legal fees and other expenses incidental thereto) of every kind, nature, and description, (collectively, "Damages") arising out of (i) the broadcast of

Operator's Programming under this Agreement and any other activities of Operator with respect to the Stations; (ii) any misrepresentation or breach of any warranty of Operator contained in this Agreement; and (iii) any breach of any covenant, agreement, or obligation of Operator contained in this Agreement. Owner shall indemnify, defend, and hold harmless Operator from and against any and all Damages arising out of (i) the broadcast of Owner's Programming and any other activities of Owner with respect to the Stations; (ii) any misrepresentation or breach of any warranty of Owner contained in this Agreement; and (iii) any breach of any covenant, agreement or obligation of Owner contained in this Agreement.

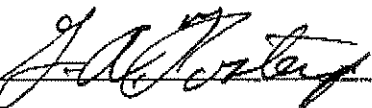

Section 19. Incorporation of Terms Of APA. This Agreement is a Transaction Document as defined in the APA. Therefore the undersigned parties agree that those terms and provisions of the APA that expressly apply to the Transaction Documents are incorporated herein by reference as though contained verbatim herein. In addition the parties incorporate by reference the terms and provisions of Sections 13.1, 13.2 and 13.4 of the APA for all purposes of this Agreement and all references in those Sections to "Agreement" shall be deemed to be this Agreement.

RECITALS

A. Owner and Operator entered into that certain *Local Marketing Agreement* dated August 8, 2005 (the "LMA"), reference to which is hereby made for all purposes.

B. Owner and Operator simultaneously with the execution and delivery of the LMA entered into that one certain *Asset Purchase Agreement* dated August 8, 2005 (the "APA").

C. Due to the effects of Hurricane Katrina on the operations of the Stations, the parties did not commence the LMA as originally scheduled on September 1, 2005.

D. Owner and Operator desire to amend the LMA as provided herein.

AMENDMENT

NOW, THEREFORE, for and in consideration of the premises and the agreements and covenants hereinafter set forth, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by each party hereto, Owner and Operator do hereby agree as follows:

Section 1. Definitions. Capitalized terms used herein, and not defined herein, shall have the same meaning as in the APA or the LMA, as applicable.

Section 2. Waiver. The parties each hereby waive any claims they may have with respect to the delayed start of the Commencement Date from September 1, 2005 until October 14, 2005.

Section 3. Revised Commencement Date. The "Commencement Date" shall mean 12:01 a.m. local time at the Stations on Friday, October 14, 2005, which shall be the date and time on which Operator may begin furnishing Operator's Programming to the Stations.

Section 4. Accounting for October, 2005. Owner shall provide the accounting services for the Stations for the month of October, 2005. Notwithstanding any of the applicable provisions of the LMA to the contrary, for the month of October, 2005 only, (i) the gross revenues from the sale of commercial air time and other services of the Stations during the

month of October, 2005 shall be allocated 50% to Owner and 50% to Operator and (ii) the Station Expenses (including the Reimbursable Operating Expenses) properly allocable to the month of October, 2005 shall be allocated 50% to Owner and 50% to Operator. In order to effect the foregoing, (i) Owner will pay all Station Expenses properly allocable to the month of October, 2005, (ii) Owner will retain all accounts receivable generated during October 2005 as part of the Accounts Receivable and (iii) no later than November 20, 2005, Owner will pay to Operator 50% of the net operating income of the Stations for October, 2005, determined without regard to Excess Claims (as defined below), if any, not reported to Owner on or before November 20, 2005. Owner represents to Operator that (i) Owner's employee group health insurance plan ("Owner's Plan") is self insured up to \$50,000 per plan participant and (ii) Owner obtains coverage ("Stop Loss Coverage") from a third party insurer for claims under Owner's Plan in excess of \$50,000 per plan participant. Owner agrees that it will cause the LMA Hired Employees to continue to be fully covered under Owner's Plan from the LMA Commencement Date through October 31, 2005 to the same extent as though the LMA Hired Employees had remained employed by Owner through October 31, 2005. Owner and Operator agree that Station Expenses for October 2005 will include (i) the October 2005 monthly premium that Owner pays for Stop Loss Coverage but only to the extent those premiums are paid with respect to the LMA Hired Employees and (ii) the actual health insurance claims incurred by the LMA Hired Employees during the month of October 2005 up to the specific \$50,000 self-insured limit per LMA Hired Employee, but only to the extent the aggregate of those claims exceed the aggregate premiums chargeable to LMA Hired Employees for their participation in Owner's Plan for October 2005 (the "Excess Claims"). If there is an increase in Station Expenses for October 2005 due to Excess Claims, if any, not reported to Owner on or before November 20, 2005, then Owner will provide to Operator a listing of such later filed Excess Claims and any resulting overpayment (of 50% of the net operating income of the Stations for October, 2005) to Operator will be reimbursed to Owner within 90 days of LMA Commencement Date; it being the intent that such Excess Claims are to be shared by Owner and Operator 50% each. The Base Fee portion of the Monthly Fee shall be reduced by 50% and shall be paid by the Operator on the Commencement Date. The Operator shall have no obligation to pay Reimbursable Operating Expenses to the Owner for the period commencing October 14, 2005 and ending October 31, 2005 since Reimbursable Operating Expenses will have been included in the allocation of Station Expenses as set forth above.

Section 5. Revised Base Fee.

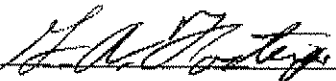

Section 6. Miscellaneous. Other than as set forth in this Amendment, the LMA shall remain in full force and effect as originally written.
