Mr. Jerome J. Manarchuck, P.E.
Electronics Engineer
Federal Communications Commission
Media Bureau/ Audio Division
445 Twelfth Street SW
Washington, D.C. 20554

Dear Mr. Manarchuck:

RE: Pamplin Broadcasting-Washington, Inc.
KKOV (AM), Vancouver, Washington
Facility ID Number 69812
Special Temporary Authority

Pursuant to 47 CFR §73.1560 (d), Pamplin Broadcasting-Washington, Inc. ("PBW") licensee of radio station KKOV (AM), hereby notifies the Federal Communications Commission that PBW replaced the faulty capacitor that burned out in KKOV's transmitter due to excessive heat during the weekend of June 4-5, 2016. PBW repaired KKOV's transmitter, the air conditioning units inside the building are functioning properly, and KKOV began to operate at full power on Tuesday, July 5, 2016.

Accordingly, the special temporary authority issued on June 22, 2016 and set to expire on September 22, 2016 is no longer required.

Regards,

PAMPLIN BROADCASTING-WASHINGTON, INC.
