Application for Minor Change of Licensed Facility
K20IM, FCC ID 125290
FCC File Number BLTTL-20080814ADV
EICB-TV West, LLC

Application for Minor Change in Licensed Facility. The within filing seeks a change of location, ERP and antenna pattern. Its 74 dBu F50,50 contour fully encompasses that of the the underlying facility. The new site will provide improved service to the original community of license.

Use of Unregistered Tower. The application is on a 37 meter tower shared with FM station KXXZ. The proposal was subjected to *Towair* analysis and found not to require registration with the FCC, thanks to being more than 8 km distant from any airport.

Interference Analysis. The application complies with all spacing and overlap requirements for stations of its class.
