11. **Indemnification; Survival.**

(a) Exchange Party shall indemnify, defend and hold harmless EMF with respect to any and all demands, claims, actions, suits, proceedings, assessments, judgments, costs, losses, damages, liabilities and expenses (including, without limitation, interest, penalties, court costs and reasonable attorneys' fees) ("Damages") asserted against, resulting from, imposed upon or incurred by EMF directly or indirectly relating to or arising out of: (i) either the breach by Exchange Party of any of its representations or warranties or the failure by Exchange Party to perform any of its covenants, conditions or agreements set forth in this Agreement; and (ii) any and all claims, liabilities and obligations of any nature, absolute or contingent, relating to the ownership and operation of Exchange Party prior to the Closing or KAIX subsequent to Closing.

(b) EMF shall indemnify, defend and hold Exchange Party harmless with respect to any and all Damages asserted against, resulting from, imposed upon or incurred by Exchange Party directly or indirectly relating to or arising out of: (i) either the breach by EMF of any of its material representations or warranties or the failure by EMF to perform any of its material covenants, conditions or agreements set forth in this Agreement; and (ii) any and all claims, liabilities and obligations of any nature, absolute or contingent, relating to the ownership and operation of KAIX prior to Closing or Exchange Party subsequent to Closing.

(c) If either party hereto (the "Indemnatee") receives notice or otherwise obtains knowledge of any matter with respect to which another party hereto (the "Indemnifying Party") may be obligated to indemnify the Indemnatee under this Section 11(c), then the Indemnatee shall promptly deliver to the Indemnifying Party written notice describing such matter in reasonable detail and specifying the estimated amount of the Damages or liability that may be incurred by the Indemnatee in connection therewith. The Indemnifying Party shall have the right, at its option, to assume the complete defense of such matter at its own expense and with its own counsel, provided such counsel is reasonably satisfactory to the Indemnatee. If the Indemnifying Party elects to assume the defense of such matter, then (i) notwithstanding anything to the contrary contained herein, the Indemnifying Party shall not be required to pay or otherwise indemnify the Indemnatee against any such matter following the Indemnifying Party's election to assume the defense of such matter, (ii) the Indemnatee shall fully cooperate as reasonably requested by the Indemnifying Party in the defense or

settlement of such matter, (iii) the Indemnifying Party shall keep the Indemnatee informed of all material developments and events relating to such matter, and (iv) the Indemnatee shall have the right to participate, at its own expense, in the defense of such matter. In no event shall the Indemnifying Party be liable for any settlement or admission of liability with respect to such matter without its prior written consent.

(d) The representations and warranties in this Agreement shall survive Closing for a period of twelve (12) months from the Closing Date whereupon they shall expire and be of no further force or effect, except (i) as otherwise expressly stated herein and (ii) that if within such applicable period, the indemnified party gives the indemnifying party written notice of a claim for breach thereof, describing in reasonable detail the nature and basis of such claim, then such claim shall survive until the earlier of resolution of such claim or expiration of the applicable statute of limitations. The covenants and agreements in this Agreement shall survive Closing until performed.

12. **Termination.**

(a) This Agreement may be terminated by either EMF or Exchange Party, if the party seeking to terminate is not in default or breach of any of its material obligations under this Agreement, upon written notice to the other upon the occurrence of any of the following: (i) if, on or prior to the Closing Date, the other party breaches any of its material obligations contained herein, and such breach is not cured by the earlier of the Closing Date or thirty (30) days after receipt of the notice of breach from the non-breaching party, provided however that such opportunity to cure shall not apply to the failure of a party to perform its obligations set forth in Section 4 or Section 9 of this Agreement, hereof; (ii) if either Assignment Application is denied by Final Order; (iii) if there shall be in effect any judgment, final decree or order that would prevent or make unlawful the Closing of this Agreement; or (iv) if the Closing has not occurred within twelve (12) months after the Effective Date.

(b) This Agreement may be terminated as provided by Section 7 or Section 8 or by mutual written consent of Exchange Party and EMF.

(c) If after the cure period provided in Section 12(a) above, EMF terminates this Agreement due to an uncured breach by Exchange Party of any of its material obligations under this Agreement, EMF shall be entitled to liquidated damages in the amount of Twenty Thousand Dollars (\$20,000.00) unless EMF elects, in its sole discretion, to consummate the transactions contemplated hereby via specific performance.

(d) If after the cure period provided in Section 12(a) above, Exchange Party terminates this Agreement due to an uncured breach by EMF of any of its material obligations under this Agreement, Exchange Party's sole remedy shall be liquidated damages in the amount of Twenty Thousand Dollars (\$20,000.00) unless Exchange Party elects in its sole discretion, to consummate the transactions contemplated hereby via specific performance.

(e) THE DELIVERY OF THE LIQUIDATED DAMAGES AMOUNT SHALL BE CONSIDERED LIQUIDATED DAMAGES AND NOT A PENALTY AND SHALL BE THE RECIPIENT'S SOLE REMEDY AT LAW OR IN EQUITY FOR A BREACH HEREUNDER IF

CLOSING DOES NOT OCCUR. EMF AND EXCHANGE PARTY EACH ACKNOWLEDGE AND AGREE THAT THE LIQUIDATED DAMAGE AMOUNTS SET FORTH HEREIN ARE REASONABLE IN LIGHT OF THE ANTICIPATED HARM THAT WILL BE CAUSED BY A BREACH OF THIS AGREEMENT, THE DIFFICULTY OF PROOF OF LOSS, THE INCONVENIENCE AND NON-FEASIBILITY OF OTHERWISE OBTAINING AN ADEQUATE REMEDY, AND THE VALUE OF THE TRANSACTION TO BE CONSUMMATED HEREUNDER.

(f) Upon a termination of this Agreement for any reason other than as a result of a breach by either party of any of its material obligations under this Agreement, thereafter neither party shall have any further obligation to the other under this Agreement.

13. **Specific Performance.** The parties acknowledge that the Exchange Party Assets and the KAIX Assets each are unique sets of assets not readily available on the open market and that in the event that either EMF, with respect to the KAIX, or Exchange Party, with respect to Exchange Party, fails to perform its obligation to consummate the transaction contemplated hereby, irreparable harm may occur to the other party as to which money damages alone will not be adequate to compensate such party for its injury. The parties therefore agree and acknowledge that in the event of a failure by either EMF or Exchange Party to perform its obligation to convey their respective assets in connection with the consummation of the transactions contemplated hereby, the opposing party shall be entitled to specific performance of the terms of this Agreement.

14. **Confidentiality.**

(a) Neither party (the “Receiving Party”) shall disclose the Confidential Information of the other (the “Disclosing Party”) to any third party. The Receiving Party shall also limit access to the Confidential Information of the Disclosing Party within its own organization only to those employees who need to know such Confidential Information in order to implement this Agreement and who are expressly obligated to maintain such Confidential Information in confidence and in accordance with the restrictions set forth herein. These obligations shall not apply to any Confidential Information received by the Receiving Party which the Receiving Party can reasonably demonstrate (i) was in the public domain at the time of receipt by the Receiving Party; (ii) entered the public domain after receipt by the Receiving Party, but through no fault of the Receiving Party; (iii) was known by the Receiving Party prior to its receipt; (iv) is lawfully disclosed to the Receiving Party by a third party that was not under an obligation of confidence to the Disclosing Party; or (v) which the Receiving Party is compelled to disclose by law or legal process, provided the Disclosing Party is given prompt written notice of any such requirement and an opportunity to contest such disclosure. This confidentiality provision shall survive the expiration or earlier termination of this Agreement, until all Confidential Information disclosed hereunder becomes publicly known or made generally available through no action or inaction of the Receiving Party.

(b) “Confidential Information” means the confidential information of the Disclosing Party, which has not been released to the public by the Disclosing Party, including, but not limited to, this Agreement, technical information, designs, procedures, processes, configurations, formulas, discoveries, inventions, improvements, concepts, ideas, techniques, know-how, pricing and sales information, or any other non-public information, whether disclosed through written, oral or

visual means.

(c) In the event that either party determines in good faith that a press release or other public announcement is desirable under any circumstances, the parties shall consult with each other to determine the appropriate timing, form and content of such release or announcement. Notwithstanding anything contained herein to the contrary, prior to either party distributing any press release or announcement regarding this Agreement or any of the transactions contemplated hereby, such party shall obtain the other party's written consent to distribute such press release or announcement.

15. **Notices.** All notices, elections and other communications permitted or required under this Agreement shall be in writing and shall be deemed effectively given or delivered upon personal delivery (or refusal thereof), or twenty-four (24) hours after delivery to a courier service which guarantees overnight delivery, or five (5) days after deposit with the U.S. Post Office, by registered or certified mail, postage prepaid, and, in the case of courier or mail delivery, addressed as follows (or at such other address for a party as shall be specified by like notice):

16. **Governing Law.** This Agreement shall be construed and enforced in accordance with the laws of the State of California, without giving effect to the State's choice or conflicts of law provisions.

17. **Partial Invalidity.** Wherever possible, each provision hereof shall be interpreted in such manner as to be effective and valid under applicable law, but in case any provision contained herein shall, for any reason, be held to be invalid or unenforceable, such provision shall be ineffective to the extent of such invalidity or unenforceability without invalidating the remainder of such provision or any other provisions hereof, unless such a construction would be unreasonable.

18. **Counterparts.** This Agreement may be executed in several counterparts, each of which will be deemed to be an original but all of which together will constitute one and the same instrument. This Agreement may be executed and exchanged by facsimile or other electronic transmission, with the same legal effect as if the signatures had appeared in original handwriting on the same physical document. At the request of any party hereto or to any such agreement or instrument, each other party hereto or thereto shall re-execute original forms thereof and deliver them to all other parties. No party hereto or to any such agreement or instrument shall raise the use of a facsimile machine to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of a facsimile machine as a defense to the formation of a contract and each such party forever waives any such defense.

19. **Expenses.** Except as otherwise set forth in this Section, each party hereto shall be solely responsible for all costs and expenses incurred by it in connection with the negotiation, preparation and performance of and compliance with the terms of this Agreement. The FCC filing fees relating to the Assignment Applications and any other federal, state, local and other transfer and sales taxes applicable to, imposed upon or arising out of the transactions hereby shall be paid by the party responsible for such amounts under applicable law.

20. **Risk of Loss.**

(a) The risk of any loss, taking, condemnation, damage or destruction of or to (each, an “Event of Loss”) any of the Exchange Party Equipment on or prior to the Closing Date shall be upon Exchange Party. Exchange Party shall use all commercially reasonable efforts to repair or replace any damaged or lost Exchange Party Equipment, provided, however, that in the event that the assets with a value of greater than Twenty Thousand Dollars (\$20,000.00) are damaged or lost on the date otherwise scheduled for Closing, EMF may, at its option, either (i) postpone Closing for a period of up to sixty (60) days while such assets are repaired or replaced, or (ii) elect to close with the assets in their current condition, in which all proceeds from insurance on such lost or damaged assets shall be assigned to EMF, and EMF shall have the responsibility to repair or replace the assets. Exchange Party shall have no responsibility to repair or replace damaged or destroyed assets not covered by insurance if the cost of such repair exceeds Twenty Thousand Dollars (\$20,000.00), provided, however, in that event, EMF may terminate this Agreement without penalty upon written notice to Exchange Party.

(b) The risk of any Event of Loss to any of the KAIX Equipment on or prior to the Closing Date shall be upon EMF. EMF shall use all commercially reasonable efforts to repair or replace any damaged or lost KAIX Equipment, provided, however, that in the event that the assets with a value of greater than Twenty Thousand Dollars (\$20,000.00) are damaged or lost on the date otherwise scheduled for Closing, Exchange Party may, at its option, either (i) postpone Closing for a period of up to sixty (60) days while such assets are repaired or replaced, or (ii) elect to close with

the assets in their current condition, in which all proceeds from insurance on such lost or damaged assets shall be assigned to Exchange Party, and Exchange Party shall have the responsibility to repair or replace the KAIX Equipment. EMF shall have no responsibility to repair or replace damaged or destroyed assets not covered by insurance if the cost of such repair exceeds Twenty Thousand Dollars (\$20,000.00), provided, however, in that event, Exchange Party may terminate this Agreement without penalty upon written notice to EMF.

21. **No Strict Construction.** The parties hereto have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto, and no presumption or burden of proof shall arise from favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

22. **Assignment.** This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and permitted assigns. No party may voluntarily or involuntarily assign its interest or delegate its duties under this Agreement without the prior written consent of the other party, which consent shall not be unreasonably withheld or delayed.

23. **Entire Agreement.** This Agreement, and the Exhibits and Schedules attached hereto supersede all prior agreements and understandings between the parties with respect to the subject matter hereof and may not be changed or terminated orally, and no attempted change, amendment, or waiver of any of the provisions hereof shall be binding unless in writing and signed by both parties.

24. **Schedules and Exhibits.** Unless otherwise specified herein, each Schedule or Exhibit referred to in this Agreement is attached hereto, and each such Schedule and Exhibit (if any) is hereby incorporated herein by this reference.
